CONCERT AND SUPPER GIVEN IN HONOR OF SPORTSMEN OF ANYOX

Prince Rupert Cup Presented by W. M. Brown of This City Other Events

(Special to Daily News) ANYOX, Nov. 21.—Under the auspices of the Anyox Community League, about one hundred and seventy representatives of baseball, football and other athletic organizations attended the annual concert and supper in honor of all taking part in baseball and football activities during the season. R. W. Clayton, supervisor of Granby dining rooms, catered for the supper, and is still receiving compliments for the manner in which the tables were decorated with good things to eat. Dr. Learoyd was chairman, and kept the program moving in the right spirit to suit everybody. While the boys were being seated, the Anyox brass band played several selections and Piper McLeod rendered bag pipe airs between times. The invited guests included the General Manager, H. S. Munroe and General Superintendent J. B. Haffner; Mine Superintendent John Swanson, Smelter Superintendent John Dillon; Assistant Smelter Superintendent Geo. Lee; L. F. Chapman, C. W. Bagwell, J. E. G. Stroud, M. Cranley, E. J. Conway; H. Chapman and C. Gray representing the Elks; J. B. Ellis, representing the Moose; W. O'Neill, representing the Catholic Club; R. Manning and J. B. McMasters, of the Mine Club, with all players who participated in the baseball and football games. The program in full was as follows:

Presentations

In presenting the cup awarded by the N.B.C.A.L.A., to the Community League, Mr. Brown, of Prince Rupert, made a neat little speech and was glad, he said, to be present on the occasion. In the presentation of the local baseball and football trophies, some nice expressions of sportsmanship were voiced by Messrs. Waterman, Ployart and Wilson. Both Messrs. Munroe and Haffner were called upon to say a few words and both responded, the gathering singing "For they are jolly good fellows." In the course of his remarks and before concluding, the chairman said some nice things about the Community League and the able manner in

HER CHILDREN HAD WHOOPING COUGH

This is one of the most dangerous diseases of children. It starts with fever and cough. The cough is at first short and sharp, but gradually increases in severity and occurs in sudden spasms, vomiting follows, and sometimes there is nose bleed; the child turns livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought on by the "whoop."

Dr. Wood's Norway Pine Syrup will clear the bronchial tubes of the collected mucus and phlegm, and in this way ease the racking cough, and in a short time make it disappear.

Mrs. L. Ambrose, Sarnia, Ont., writes: "My little ones were both sick with whooping cough. I read where Dr. Wood's Norway Pine Syrup was good, and I only used two bottles and they were better. I had chronic bronchitis for three years and tried everything until, finally, I got 'Dr. Wood's'. I would not be without this remedy."

Price 35c a bottle; large family size 60c; put up only by The T. Milburn Co., Limited, Toronto, Ont.

which the secretary was carrying on the good work in Anyox.

SOCCER LEAGUE'S FINANCES HEALTHY

General Fund Has Cash Balance of \$33 and Stuart Shield Fund Contains \$90.

Having completed a very successful season, the executive of the Prince Rupert Football Association at a meeting last night closed the books for the year. The secretary's report showed a balance of \$33 in general fund. Besides there is \$90 in the Stuart Shield fund which was inaugurated two seasons ago for the protection of injured players during the season. This year there were no serious accidents such as last year when \$250 was paid out by the Association.

The annual meeting of the Association will take place next April.
