DAILY EDITION

## President's Illness And Prince Rupert.

Relief will be general not only in United States but in to the ton. This property Canada and other parts of the British Empire at the news that owned by H. Faylor and John President Harding is recovering satisfactorily from his sudden Willman. illness.

Other than from a sentimental standpoint, Prince Ruperi ELKS' MINSTRELS ARE has more than a passing interest in the president following his visit to Alaska and it might possibly have cost the city a great deal if any untoward circumstance had prevented his speedy re- Show Which Was so Successful turn to Washington following it. President Harding has undoubtedly heard a good deal about Prince Rupert from the Alaskans and they have made representations to him regarding the use of this port as a shipping outlet for them. Some action with this end in view it is expected will be taken by Mr. Hard- which put on such a successful our forests will within a short the purse of our nation enlarges. ing soon after he returns to Washington.

### Prince Rupert Not Beautiful City.

Many local people, as they wend their way through highways and by-ways of the city these warm and sunny days, make the remark that something ought to be done with respect trip besides the players them- years. Throughout British Colto beautification of the streets and parks of Prince Rupert. While a large number of people have enhanced the beauty of day afternoon, the local people fire protection methods have their private property with flower gardens, etc., little attention has ever been paid to the matter from a public standpoint. Our self is making arrangements for cause. In different parts of the streets are very bare and unattractive at present but it would the trip. take little expense or energy to make them really beautiful to the eye. A few trees here and there, and perhaps an occasional garden, would improve their appearance a thousand fold and doubtless would have a valuable effect on the thousands of tourists and visitors who come here every summer. Any expendi- is One of Most Human and ture of money that the city would be required to make along this line would not be lost and might be indirectly very profit-

### All Legitimate Work Is Genteel.

be based on gentility.

The story told of a young man, a bank clerk on a salary of \$2,000 a year, who refused another position paying \$500 more because he would in that case be a shipping clerk and the bank job is "more genteel," is representative of more than one individual. While most young men, at least all who will ever periences of Joe Newbolt, who on amount to anything, would take the job that pays the most out to serve an unscrupulous money, other things being equal, there is a class, possibly, which farmer, Isom Chase. Chase is considers the gentility of the job compensates for the lack of hated by his young wife, Ollie. pay. It is conceivable that one might decline a position offer- She tries to win the love of Joe, ing more money because the opportunities contained were less but, remembering his bonds and than in the one held, but in that case the decision would not Alice Price, the girl of his

All work is genteel that is legitimate, and the job of a ship-drummer and is about to elope ping clerk is as honorable as that of a bank clerk. Both honor with him when Joe interferes and the man who does good work, and neither can honor the man spoils their plans. Old Isom who thinks one is more genteel than the other. The man who Chase returns to find Joe in the works with his hands and gives an honest day's work is not less room with his wife who is dressed genteel than another who wears a white collar and whose em- for travelling. Threatening to ployment does not soil his hands. It's the man, and not the job, kill Joe, he seizes a gun and accion which gentility depends.

Domestic help would not be so scarce and unsatisfactory were not such opinions held. It is all right, in the opinion of Joe is held for murder. many, for a girl in a shop, but not in a kitchen, though the latter might pay far better than that which is favored. It seems also a crime he did not commit, Joe to make a difference whether one draws wages or a salary, makes a sensational escape from though it is a little difficult to distinguish, between the two. Both are payments for services. It's the service which is being sold, and it's honorable, if value is given, and no one service is more honorable than another, though greater skill may be puri into it with corresponding reward .-- Nelson News.

Cigarettes!

Supreme quality and

proven excellence

Five-sixths of the timbered area in B.C. belongs to the People.

Each year it is increasing in value as the more accessible timber is cut.

In 1922 there was received from the sale of such timber the sum of \$620,000.

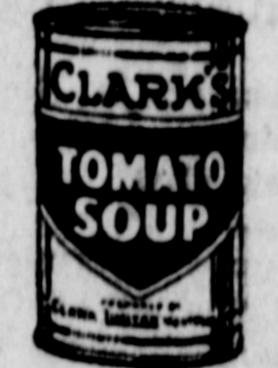

This helped to keep your taxes down, and to build up the Province.

Green Timber is British Columbia's assurance of perpetual prosperity
