BOY SCOUTS' GALA DAY IS PLANNED

Celebration Proposed to Take Place at Salt Lakes July 19, for Raising Funds

At the Rotary Club luncheon yesterday, H. L. Campbell, superintendent of public schools, spoke on behalf of the Boy Scouts' Association. He said that the Association was in need of assistance at the present time and had been laboring in the past under great financial difficulties. More publicity should be given to the movement and so increase the membership and the value of the work the association was doing among the boys of the community. The association needed the moral and financial support of the people, wanted to get the support of the Rotary Club also. At the present time the boys had no place in which to train or hold their meetings and they were now asking for headquarters. They would endeavor to secure from the city council permission to build a cabin near McClymont park on some city property. Such a cabin would be built by the boys under the guidance of their instructors and thus would be established a headquarters where the boys could meet and receive training. Arrangements were being made to secure a suitable place in which the boys could be drilled during inclement weather. It had been suggested to have a Boy Scout day on July 19 next—the Rotary Club to have a luncheon on that day at the Salt Lakes and invite the boy scouts together with their instructors and a parade of boy scouts to be held in the morning. Special arrangements could be made with Capt. Swanson to carry the people over and back, and tickets would be sold for adults and children. The Ladies of the I.O.G.E. were to be invited to have a stall at the Lake and a water carnival would be held on the lake in the afternoon while the Boy Scouts would give a display. The day of festivities would be brought to conclusion by the holding of a dance at night. If the event were properly run the speaker thought it would be possible to materially increase the funds of the association.

TEA AND SALE OF HOME COOKING IN AID PIANO FUND

Successful Affair for Methodist Church is Given by Mrs. Dibb and Mrs. Cornish

A very successful tea and sale of home cooking in aid of the Methodist Church piano fund was given yesterday afternoon by Mrs. F. Dibb and Mrs. W. B. Cornish at the home of the former, Tallow Street.

Mrs. Cornish was in charge of the affair. Among the exotic settings to be found in "The Voice From the Minaret," Norma Talmadge's offering at the Westholme Theatre tonight and tomorrow, is the interior of a resort known as "The Club of the Seven Flags," situated in the heart of mystic Bombay. It resembles a harem in every respect, and is the gathering place of men and women of all classes and stations in life.

Particularly was it the rendezvous for conspirators, intriguing politicians and diplomats and those who found within its walls a place to carry on their love affairs safe from prying eyes. The club is the center of a series of exciting episodes in "The Voice From the Minaret," which was written by Robert Hichens, noted for his tales of that corner of the globe.

Major J. A. Motherwell, chief inspector of fisheries, who arrived in the city on the Prince Rupert on Wednesday in connection with departmental business, returned to Vancouver last night.

Terrible Headaches and Dizziness

Miss S. Raphael, 237 Kenilworth Ave. N., Hamilton, Ont., writes:—"I used to suffer from terrible headaches and dizziness. Last summer, while I was walking up a side street, I got a dizzy spell and fell in the middle of the road. An old gentleman helped me to get to where I was going and told me to get a vial of Milburn's Laxa-Liver Pills. Well, I did, and they did wonders for me. I don't know how to thank you, as I don't get headaches or dizzy spells any more."

MAY WEATHER

FARMER'S FORTUNE CANNOT BE FOUND

Members of Family Searching for Buried Cash; Died Without Disclosing Secret

REGINA, Sask., June 1.—Ten years ago a farmer, Norman Curtis, arrived from Iowa, and settled with his family on a farm near Langbank, Sask. He brought \$5,000 cash with him, paid \$1,500 down on his farm, and being a non-believer in banks, buried the remaining \$3,500 in a field. He hid it while no one was looking and told no one, not even members of the family, where it was concealed. During the winter of 1913 he was frozen to death and with him died the secret of the hiding place of the money.

the home cooking table, Mrs. W. Sherman poured and Mrs. C. Woodworth and Mrs. Santerbane assisted. Solos were rendered by Mrs. Woodworth, Miss Marjorie Lancaster and Miss Grace Ackroyd, the accompanist being Miss Flower and Miss Lorna Tife. The affair was very well attended and financially was quite a success.

RADIO COMMUNICATION POLAND AND AMERICA

One of the Most Powerful Stations in World Being Built at Warsaw, Costs \$2,000,000

WARSAW, June 1.—The building of a radio station in Warsaw which will be one of the most powerful in the world, has been undertaken with a view to giving Poland the opportunity of direct communication with western countries without having to rely upon communication through other states. The work of construction was commenced in February, 1922, and will be finished next July. The total cost of the station amounts to almost \$2,000,000. Subscribe for the Daily News.
