LIBRARIES GAIN FAVOR FOR HOME TRAINING

CHICAGO, Aug. 29.—American people are using their libraries as home universities for self education instead of for amusement, according to Carl H. Milan, secretary of the American Library Association, who points to the employment of education advisers in the largest cities as proof of

"People are intent these days on gathering useful information, said Mr. Milan, "At Detroit, Milwaukee and Cleveland the demand for instructive and informational books has become so great that superintendents of adult education have been appointed to care for the ambitious.
