# Gossard Corsets

**TO LOOK MORE YOUTHFUL.**

The modern corset doesn't aim to make us all over, so we look all alike, as the old-fashioned corset did.

It doesn't aim to give us that objectionable corseted look.

It just coaxes, restrains, redistributes us a little—makes us longer waisted, taller and a bit more slender. It gives us that graceful ease of movement which can only come with genuine comfort.

# START MINING DURING WEEK AT MAROON MT.

**Chiro Company Have Concentrating Tables up at Mine; Properties Being Worked**

**BELWAY CASTLE PARTY**

ROSSWOOD, via Terrace, July 6.—Work on the Chiro Mining Co.'s mine at Maroon Mt. is progressing rapidly. They have been working three pack horses steadily to get supplies up and have completed one new cabin and started another. The new concentrating tables are up and they expect to start mining operations this week. Their manager, "Happy" Owings, is happier than ever, owing to the progress they have made in the past few weeks.

Dr. Hanson, Dominion geologist, and Mr. Gunning, one of his assistants, made a trip in from Cedar Creek on Sunday. The party has been camping at Lava Lake and are going back to Anyox. Dr. Hanson intends to come back in August by way of Terrace.

Dr. Hanson is up to his usual form at the game of "horseshoes," but the whole community is sympathizing with Oscar Gendron. He played for six hours straight without getting a ringer. Very unusual, very.

Dave Shaw is preparing to do some real work on his placer claim on Douglas Creek. He is down practically to bed rock. The showing is excellent.

Mrs. Von Hees and Mr. and Mrs. J. M. Hatt were entertained at a delightful little tea given by Mrs. Walter Warner on Monday afternoon.

In the absence of Mr. Joseph Belway, Mr. and Mrs. Von Hees and Mr. and Mrs. J. M. Hatt from Terrace entertained on Monday night at Belway Castle. The party was more or less informal but was evidently thoroughly enjoyed. Jack Conture played excellently on the gramophone. Walter Warner delighted the guests with some old Irish folk songs and many stories were told of hunting trips, dangerous and humorous. All of the leading citizens of Rosswood were present, in fact it was one of the largest social gatherings of the week. The large living room of Belway Castle was taxed to the limit to hold the company. Among those present were Mr. and Mrs. Walter Warner of Telegraph Hall, "Happy" Owings, Jack Conture, Oscar Gendron, Oscar Olander, Dave Shaw, Paul Brodin. It is worthy of mention that genuine imported beef sandwiches were among the refreshments served.

Messrs. Olander, Brodin and Conture are leaving for the hills this week to look after their mining interests.

Oscar Gendron is joining the staff of Chiro Mining Co. on Maroon Mt. for the time being.

Oscar Gendron spent most of the early hours Monday morning trying to remove a bell from one of the pack horses so that the Terrace visitors could get some sleep. Unfortunately he made more noise than the horses but his intentions were good.

It is to be regretted that a wave of crime has swept over Rosswood. Mrs. Warner had a lemon pie stolen and Joe Belway lost half a box of punk sticks—all in two days.

Jack Conture still holds the lead in trout fishing although a visitor from Terrace nearly beat him this week.
