Burdock Blood Bitters

Relieved Her of
Headaches

Headache seems to be habitual with many people, and some, if any, are seldom free from it, suffering continually, and wondering why they can get no relief.

In all cases of headache the treatment should be directed to the removal of the cause, and with the cause removed the headaches will vanish.

It is impossible to find a better remedy for headaches of every description that can equal B. B. B., acting as it does on every organ of the system.

Mrs. Douglas Rishborough, 280 McKenzie St., Sarnia, Ont., writes: "Having suffered from severe headaches for a considerable length of time I decided to try Burdock Blood Bitters, and found that it helped me wonderfully. It relieved the headaches, and I noticed a decided improvement in my health."

Burdock Blood Bitters is a remedy that has been on the market for the past forty-four years, so you don't experiment with some new and untried medicine. It is put up only by The T. Milburn Co., Limited, Toronto, Ont.
