FLORAL TRIBUTES TO LATE MRS. TINKER

Following is the list of flowers sent to the funeral of Mrs. G. P. Tinker, which will be held at Spring Hill, Nova Scotia. Owing to the extreme distance of the train journey the orders for fresh cut flowers were changed to artificial flowers. Accordingly artificial flowers were sent by D. Glennie for the following:

HERRING DUTIABLE ONE CENT A POUND

WASHINGTON, D.C., March 19—Sea herring are dutiable at a rate of 1 cent per pound under the new tariff act, when imported frozen or packed in ice, according to a treasury department ruling, which overturned the suggestion of the collector of customs at Boston, that such shipments should be admitted duty free.

The decision says: "If congress had intended to include in paragraph 1656, sea herring or smelts, frozen or packed in ice, it would seem that the first word in the paragraph, 'fresh,' is unnecessary. That paragraph would have more clearly expressed the legislative intent if it read 'sea herring, smelts, tuna fish, fresh frozen or packed in ice'."

You won't cough

After Taking Dr. Wood's Norway Pine Syrup

On the first appearance of a cough or cold do not neglect it; get rid of it at once before it has a chance to grow worse and gets settled on the lungs, causing bronchitis, pneumonia, or other serious lung troubles.

In Dr. Wood's Norway Pine Syrup you will find a remedy that will relieve the cough or cold on its first inception by soothing the irritation, and healing the diseased lining of the lungs and bronchial tubes.

Mrs. Percy McRae, Little Shemogue, N. B., writes:—"Three years ago I had the "Flu" which left me with a very bad cough. I tried different medicines which did me no good, so I took Dr. Wood's Norway Pine Syrup. It relieved me of that awful cough in a short time."

"Dr. Wood's" is 35c and 60c a bottle at all dealers; put up in a yellow wrapper; three pine trees the trade mark; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
