Five-sixths of the timbered area in B.C. belongs to the People.

Each year it is increasing in value as the more accessible timber is cut.

In 1922 there was received from the sale of such timber the sum of \$620,000.

This helped to keep your taxes down, and to build up the Province.

Leisure hours for the Children's Instruction

You can attain them through making economies in the time you give to household work.

For example, on wash day, the use of Sunlight Soap as directed on the carton, will free you from hours of drudgery at the wash board. Washing dishes, shelves, oil cloths, etc., can all be done better and in shorter time if you use Sunlight Soap.

All these minutes and hours saved throughout the week can be devoted to the better things in life.

> The rich and pure oils of cocoanut and palm used, and the extreme care taken in converting them into Sunlight give this soap unusual power for cleansing purposes. Its absolute purity makes it safe for all laundry soap uses.
