Stomach Trouble "Indigestion" Relieved by Burdock Blood Bitters

The sufferer from dyspepsia, indigestion or other stomach troubles who has to pick and choose his food is the most miserable of all mankind. Even the little that is eaten causes much torture, and is digested so imperfectly it does but little good. Before you can eat heartily and enjoy your food, you must put your stomach right so that it will manufacture its own digestive ferments. Mr. Wm. Kriehel, Morden, Man., writes: "Some time ago I had quite a serious case of stomach trouble, indigestion. I could scarcely eat anything, outside of some light food, and even then I generally had pains after each meal. I tried many different medicines, but without any improvement, and had almost given up hope of ever being well. A neighbor recommended Burdock Blood Bitters, and after using it a short time I felt much better, so I continued to use it until I was completely relieved. I can honestly say that B. B. B. has done wonders for me after all other medicines failed." B. B. B. is put up only by The T. M. Burn Co., Limited, Toronto, Ont.

A real whole wheat porridge

Children like a whole wheat porridge better than any other porridge—and it is so easy to make it, hot and tasty, out of Shredded Wheat.

Place the Biscuits in a small saucepan, add salt and enough water to cover the bottom of the pan; stir and boil until it thickens. Serve with milk or cream.

A hot dish for those who do not like porridge is made by simply pouring hot milk over the Biscuits, adding a little cream and a little salt. Nothing so good for youngsters as these little loaves of crisp, oven-baked shreds of the whole wheat.

Shredded Wheat contains all the bran you need to stimulate bowel movement.
