

There's time in the package

Time to do the many things ordinarily put off on wash-day. For Rinso does not keep you standing over the wash-tub, rubbing until your back aches and your hands are red and sore.

Rinso, an entirely different kind of soap, soaks clothes clean. Rubbing and boiling are unnecessary. The big soapy Rinso suds gently loosen the most ground-in dirt without weakening a single thread.

NOTE: In hard water it takes from 1 to 1 1/2 packages of Rinso to a tub to make good suds. In very hard water you will need from 1 1/2 to 2 packages to a tub to get the big lasting suds that loosen all the dirt.

Stomach Trouble

"Indigestion"

Relieved by

Burdock Blood Bitters

The sufferer from dyspepsia, indigestion or other stomach troubles who has to pick and choose his food is the most miserable of all mankind.

Even the little that is eaten causes much torture, and is digested so imperfectly it does but little good.

Before you can eat heartily and enjoy your food, you must put your stomach right so that it will manufacture its own digestive ferments.

Mr. Wm. Kruschel, Morden, Man., writes:—"Some time ago I had quite a serious case of stomach trouble, indigestion. I could scarcely eat anything, outside of some light food, and even then I generally had pains after each meal. I tried many different medicines, but without any improvement, and had almost given up hope of ever being well. A neighbor recommended Burdock Blood Bitters, and after using it a short time I felt much better, so I continued to use it until I was completely relieved. I can honestly say that B. B. B. has done wonders for me after all other medicines failed."

B. B. B. is put up only by The T. Mulburn Co., Limited, Toronto, Ont.
