BRINGING UP FATHER

By George McManus

QUEEN CHARLOTTES

J. Flynn is engaged along the east coast of Graham Island on the black sand deposits, which carry both gold and platinum.

The Massett school children intend holding a Christmas party, during the festive season, while the grown-ups will give an entertainment in the Social Hall under the auspices of Dr. and Mrs. Dunn, on New Year's Eve.

The highest tides, in the recollection of the oldest residents created havoc along the seashore last week. Telephone poles, logs and driftwood passed out of the inlets, from the deposits along the shore, which had accummulated during recent years. The height of the waters far exceeded the limits set down in tide registers. With fierce wind-storms and excessive quantities of rain, November will be long remembered on the islands.

The telegraph and telephone office, formerly located at Massett townsite has been closed. The operator, W. M. Gegerich, has been transferred to Port Clements, while Operator Thompson has tendered his resignatjon, and will leave for the south on the next steamer.

West Is West

Between east and west there is no comparison of dairying conditions. In British Columbia they are ideal. In the East—well, everyone knows what that is like.

The only milk put up in our province is Pacific Milk, the highest quality canned milk possible to obtain. Each can contains 43 per cent cream, or to say it in another way, almost half of each can of Pacific is pure, fresh cream.

Sport Chat

The Sons of Canada and Colts, meeting again tonight in the Senior Basketball League, should provide another interesting and well contested games for enthusiastic fans. So far the Canucks have not sustained defeat this season but the Colts have run them so close in the games where the two have so far met that tonight's result may be considered in no wise a matter of certainty. The Colts need this game on the victory side for them if the Sons are to be prevented from getting a rather early cinch on season's honors. The Adanacs and Teachers in the Ladies' League should put up an interesting match. High School and Grotto meet in the Intermediate League.

The baseball teams of the Keio and Waseda universities in Japan are to resume inter-varsity matches after an interval of ten years. The rivalry was so keen between these two institutions of learning on the baseball field that free fights were too frequent to please the university authorities who ordered the games to be abandoned. This restriction, however, has now been removed.

Bermuda's annual amateur gold championship tournament will start January 14 at Hamilton, Bermuda.
