HENRY FORD FOR PRESIDENT

Says is Not Candidate but Friends Persistently Working For Him

WASHINGTON, June 7. — (By Canadian Press). — Developments with respect to Henry Ford as a presidential possibility continue to command attention among the leaders of both political parties. Mr. Ford disclaims being a candidate but the fact remains his friends are active and that this activity has reached a stage where it is giving concern to many democratic chiefs and is also giving worry to republican leaders.

Democratic politicians who have been in the South recently have come to Washington in the last few days declaring that Ford will get the delegations of several southern states, that most of the southern delegates will be either for Ford or McAdoo, and that Senator Underwood, outside of Alabama, will have little backing from the South. It is declared that practically every southern delegation will have some Ford delegates. Heretofore, it has been generally supposed that McAdoo and Underwood would get the southern delegates.

The recent visit of Mr. McAdoo here has stirred up much democratic political gossip and one phase of it is the fact that an increasing number of democratic leaders are showing friendliness to Ford. They are asserting that Ford would command a big vote

Suffered from PIMPLES & BLOTCHES for Fifteen Years

When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system.

There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as

Burdock Blood Bitters

This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it as a blood cleanser.

Mr. Albert R. De Witte, Lake Valley, Sask., writes:—"I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so bad I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters. I have used three and a half bottles, and now I have a clear, rosy complexion."

and make a strong run at the polls. Republican leaders, though insisting Mr. Harding will be re-nominated and re-elected, admit that the nomination of Henry Ford would create a highly uncertain situation, and that it is impossible to gauge his power as a vote-getter. One theory is that Ford would be easily vanquished and another that the more Ford was attacked by his opponents, the stronger he would become with the great body of voters.
