BRINGING UP FATHER

KEEN SPORT IN BOXING BOUTS

Difference of Opinion as to Who Was Winner of Main Go.

SOME GOOD EXHIBITIONS

The boxing tournament held last night in the Empress Theatre, under the auspices of the Grotto Athletic Club, proved a popular rendezvous for the sport fans and plenty of excitement was provided. There were a number of ladies present. The various bouts were announced by R. B. Skinner, manager. There was not a dull moment during the entire evening and the contestants showed their keenness in the many art. Ben Self and J. B. Morrison, of Edmonton, acted as judges while J. McAlleenan was the referee of all bouts, and Max Heilbronner time-keeper.

Main Bout

The main bout between Tommy Sherman and Tommy Fraser, six rounds at 130 lbs, caused a great deal of interest, the decision being awarded to the latter in the fifth round. The decision was made in favor of Fraser by J. B. Morrison and referee McAlleenan, Ben Self the second judge voting in favor of Sherman.

There was a decided difference of opinion both among the spectators and the respective seconds as to the decision. Both men were on their feet when the fight was stopped by the referee. Tommy Sherman was announced at 128 lbs, and Fraser at 130 lbs. Leonard Sherman, J. Sherman and E. Craggs were in Sherman's corner while George Waugh, J. Andrews and F. Joyce officiated for Fraser. Dr. L. W. Kergin examined both men before the bout commenced. In the first round it was evident that both boys were out to win and the pace set was a gruelling one. Sherman relied upon a straight left which repeatedly landed on his opponent's nose and mouth, while Fraser used both hands and waded right in. Both boys finished fresh.

In the second round Sherman kept up his left lead which had a telling effect upon Fraser but the latter proved rugged and gave no quarter.

In the third and fourth rounds it was a toe to toe scrap and both boys gave and received at long and close range. At the close of the fourth round the boxers both seemed to be feeling the effects of the hard pace set.

In the fifth and last round considerable clinching was done. Fraser was very aggressive but Sherman seemed to have the better ring experience and his opponent was missing often. During the round Sherman got low in a clinch and while in a leaning down position with his arms loosely around the legs of his opponent a few seconds before the end of the round, the

CONSTANT HEADACHES AND DIZZINESS

It is hard to struggle along with a head that aches and pains all the time, and in nine cases out of ten the persistent headaches are due to some derangement of the stomach, liver or bowels.

Undoubtedly the cause must be removed before permanent relief may be had.

Burdock Blood Bitters removes the cause of the headaches, as it acts on every organ of the body and strengthens, purifies and regulates the whole system.

Mrs. Peter Curran, 27 Morrison St., Sydney, N.S., writes: "I have been troubled for the last five years with constant headaches and dizziness. After trying several remedies, which I found to be of no avail, Burdock Blood Bitters was recommended to me.

B.B.B. did me a world of good, and I cannot praise this remedy enough."

fight was stopped by the referee. A foul was claimed by Ben Self against Fraser in the first round while the referee was, evidently of the opinion that Sherman was in difficulties in the fifth.

Semi-Final

Geo. Boulter vs. Bill Stewart in the semi-final, four rounds at 133 lbs, was a humdinger. Stewart was very aggressive while Boulter was wary. There was some hard hitting done and neither men backed away. It was a hard fought bout and afforded plenty of thrills. The decision was unanimous in favor of Stewart.

Mike and Ned Gurvich, mosquito weights, gave a very spirited exhibition and caused much amusement.

Harry Gawthorn and Spider Kelly put up a good exhibition in a three round bout at 120 lbs. Both boys went into it with much vim and gave and received in great style. The bout was a draw.

Bert Kelly was adjudged the winner in a three round bout at 90 lbs, against Geo. Bell.

Battling Gurvich was awarded the decision against Mike Gomadina in a three round bout at 130 lbs. The bout was a keen one on both sides and no quarter was given or taken. Both boys finished fresh.

Bert Morgan, president of the Grotto Athletic Club, Jack Judge and Frank Fitch were on the floor.

REGIMENT TO HAVE MINIATURE RANGE

Council Gives Consent to Closing up of Tunnel Lane to Rear of Court House

The North B.C. Regiment was granted permission by the city council last night to use the tunnel lane to the rear of the Court House for the establishment of a miniature rifle range.

In making application for permission, Major J. W. Nichols, officer commanding, stated in his communication that \$150 had been granted by the federal

government to the regiment for the purpose of starting the range. The tunnel lane at the rear of the court house was the most suitable location. Application had been made to Hon. T. D. Pattullo, minister of lands, who had referred it to the city and the government agent. The city would have to pass on the closing up of a thoroughfare.

Ald. saw no objection to granting and moved that it be given for one year subject to thirty days' notice for the nominal annual rental of \$1. This was seconded by Ald. Collart and carried.

The French Athletic Federation has announced its program of preparation for the Olympiad next year and the selection of the team which will represent France. Elimination trials will begin immediately after the close of the cross country season on March 29, and the selection will operate automatically, the men being chosen from the winners of five great pre-Olympic meets to be held every two weeks beginning Easter Sunday.

Sport Chat

The Dempsey-Firpo fight pictures shown at the Westholme Theatre last week are the best of their kind that have ever been shown in the city, local boxing fans agree. The actual fighting, short as it was, was shown in good detail and the slow motion gave good opportunity to study the action of the boxers and the actual blows that were delivered. The gameness of the two pugilists was well depicted and the training activities were also of much interest. One moving picture authority in the east has placed the Dempsey-Firpo film as one of the ten greatest moving pictures ever produced.

A proposal made to reduce the monthly fees from two dollars to a dollar and a quarter was not entertained by the meeting. It was decided, however, that the club should provide shuttles for the use of the members.

A bylaw to amend the Fourth and Fifth Avenues grading by-law by eliminating a small portion of the work originally planned, on Agnew Place was finally adopted by the city council last night.
