THE FIRST SIGNS

The first signs of a tendency to return to normal were seen yesterday and Sunday when the holiday was in many cases celebrated in the old fashioned way. Of course there were economies, but they did not seem so apparent as on the previous Christmas. The indications were that the buying strike was over and that those who could afford it were willing to spend once more.

Naturally the spending is encouraged by the prices asked. Turkeys at from fifteen to twenty-five cents a pound is something never before known in Prince Rupert. It is not much of a spread from the prairie prices. Many farmer there sold their turkeys for ten and twelve cents a pound for the best grades. These had to be packed and shipped and the retailers had to have a profit. The buyer would announce that he would be in a certain village on a certain day. The farmers all around took in their turkeys and sold them, according to grade. If word got around that one buyer treated the farmers better than another the farmers all flocked to that village to sell. Usually one buyer went to each village but he had to compete with other buyers who went to other villages or towns.

With the desire of those with money to spend it will come increased demand on the factories, increased empoyment, increased buying power, more spending, more employment, more buying, and pretty soon everybody will be working. Some people scoff at the idea that this will be the case, but it will.

WEDDED AT CATHEDRAL

Miss Margaret Robertson Becomes Bride of N. S. K. Brewer at Ceremony Last Evening

A very pretty wedding was solemnized at 6 o'clock last evening at St. Andrew's Anglican Cathedral, Very Rev. James B. Gibson, the dean, officiating, when Miss Margaret McKenzie, daughter of Mr. and Mrs. McKenzie of Scotland, was united in marriage to Noel Sydney Kenny Brewer of Digby Island, son of Mr. and Mrs. Frank A. Brewer of Ireland.

The bride, who was given in marriage by her uncle, Hugh McKenzie of Digby Island, made a very pretty picture in her wedding costume of white silk lace with white silk lace coatee, trimmed with fur, and long veil held in place with a coronet of orange blossoms. She wore long white gloves and white footwear and carried a bouquet of pink roses and white lilies and maidenhair fern.

The bridesmaid was Miss Mary Belle Robertson who wore a dainty glass blue dress with long white gloves and white footwear. She wore orange blossoms in her hair and carried a bouquet of pink roses and maidenhair fern.

Little Ina Robertson was a pretty flower girl, wearing white georgette and carrying a basket of red roses and golden leaves.

Lawrence Pierce was groomsman.

Following the ceremony, a reception was held at the home of Mr. and Mrs. W. F. Robertson, 432 Eighth Avenue West. The bride was assisted in receiving by Mrs. Robertson who wore black satin with crepe de chine. Many friends were present to tender their felicitations to the happy young couple. Delicious refreshments were served. The toast to the bride was proposed by Mr. Robertson and responded to by the groom. Mr. Vandersluys proposed the toast to the bridesmaid with the groomsman responding. Dancing was enjoyed until the early hours of the morning.

Among the guests who partook of dinner were Mrs. O. Dawson, Mrs. Jack Preece, Mr. and Mrs. Tom Elliott, Mrs. Morgan, J. McLeod, N. McKay, R. Smith and Miss Jean Robertson.

Mr. and Mrs. Brewer will reside on Fifth Avenue West. They will have the hearty congratulations and best wishes of numerous friends. The groom is a member of the office staff of the Marine Department at Digby Island.

ADDRESS OF KING

Memorable Broadcast Heard on Christmas Morning by Local Radio Listeners

Local radio fans had excellent radio reception from station CFCN, Calgary, of the special Christmas morning broadcast from England which featured a brief address by King George. The words of the monarch came in very clearly and distinctly. He was speaking from Buckingham Palace and was on the air for about ten minutes.

In addition to the King's address, the special Empire broadcast program included many other interesting features including brief patriotic talks originating in Ireland, Canada, India, New Zealand and Australia. Canadian speakers were heard from Halifax, Montreal, Ottawa, Toronto, Winnipeg and Vancouver. The roar of Niagara Falls was reproduced over the air as well as a battleship plowing through a storm on the Mediterranean Sea. The program opened with the pealing of the bells of Big Ben in London and Christmas carols by Westminster singers.

British Officials Express Disappointment at Slowness of Action On Debt Revision

LONDON, Dec. 27:—Considerable disappointment was expressed in official circles here at announcement of President Herbert Hoover that, owing to the attitude of President-elect Franklin D. Roosevelt, it would be impossible for him to set in motion any plans for war debt revision survey or a world economic conference. No move on the part of the United States can now be expected until after March 4 when the new president will be inaugurated.

Confidence of an early debt revision was one of the factors which actuated Great Britain in meeting the $95,500,000 war debt payment to the United States on December 15.

The Letter Box

A SARCASTIC UNEMPLOYED WORKER

Editor, Daily News:—

The letter of "A Worker" in your column was rather interesting, especially if it is indicative of the attitude of employed labor to the unemployed. It would also be interesting to know if he is a trade unionist too and if it is indicative of ther attitude to the unemployed.

However, let me inform "A Worker" that as far as the unemployed here at Dorreen are concerned, he doesn't know the half of it. Sooner than pay rent to grasping landlords we have built our own houses, while the clothes parade when we assemble to do our monthly toil, would put to shame anything one could see in Bond Street, London, Eng. There is not the slightest doubt that were the highway through here, we should all be running our own cars this spring. This is all the more remarkable in view of the fact that we have never had $12 per month in this area, the rate being $9.80, now reduced to $9.10 in spite of the repeated statements of the Dominion government that the scale for single men is still 40c per day.

Still this Arcadian existence of the petted and pampered unemployed is apt to pall after a time and as "A Worker" seems to be jealous of our luxurious existence, I will gladly change places with him for one month so that he may sample the delights of it for himself.

Yours truly,
ANOTHER FROM DORREEN.

ESSINGTON IS WINNER

Local Japanese Defeated in Second Basketball Game by Score of 38 to 16

Making no attempt at combination but with every player of the home team making accurate long shots from almost any place in the hall, the Port Essington basketball team defeated the Japanese Young People's Society hoop team of Prince Rupert in the second of a two-game series at Port Essington last Thursday night by a score of 38 to 16. The locals were almost completely outclassed, particularly in the shooting department.

Individual scoring for the second game was as follows:

Japanese Young People—Obata (9), Kishimoto (6), Suehiro, T. Nakamoto (1), K. Nakamoto.

Port Essington—P. Spalding (6), Nelson (10), Brown (10), H. Starr (4), H. Spalding (8).

The local team, members of which returned home on Saturday night's train, was given a warm reception at Port Essington and a banquet was tendered them after the game on Thursday evening.

Johnny Morrison made the trip as coach of the Japanese team.

The series was played to assist in raising funds to purchase a piano or radio for the Japanese hall here.

SPORT CHAT

Local basketball fans will have the opportunity of witnessing a first class game at the Auditorium Wednesday evening between the Northern B. C. champion Port Simpson team and the C. N. R. A., winners of the first half in the senior city league. To round out the evening's program, Merchants, the winners of the first half in the intermediate league, are lined up against the Warriors of the same division and a real game is expected.

Patrons of the hoop game will no doubt get their money's worth in the feature tilt as Simpson, undefeated by any team in this part of the province for a number of years, will be out to uphold their fine record. The C. N. boys, playing their second year together, will be at full strength and the outcome of this battle will probably be in doubt until the final whistle.

BALL PARK FOR FIGHT

Schmeling and Baer Clash Next June Likely to Take Place at Polo Grounds

NEW YORK, Dec. 27:—The 15-round bout between Max Schmeling and Max Baer next June will take place in one of New York's baseball parks, probably the Polo Grounds, Jack Dempsey, the promoter, intimates. It is expected that it will be one of the biggest pugilistic attractions in 1933. Articles for the bout were signed at the end of the week by the managers of Schmeling and Baer.

The winner will probably get a chance at the heavyweight crown of Jack Sharkey which the Boston gob will have to defend before the end of next summer.
