WHAT TO HAVE IN THE FAMILY MEDICINE CHEST

A Safe Remedy for Colds Absol-
utely Essential; the Capsule
Form Ideal

In the home of practically every reader
there is some member of the family with
a cold. These are the days when colds
are common; too often they are looked
upon as "mere colds," and nothing is done
to prevent further trouble. Yet a cold
which at first seems to give no cause for
alarm will sooner or later lodge in the
lungs, and then the trouble begins.

At the first symptoms of a cold or
grippe, start taking Grip Fix. You will be
surprised at the relief it gives and the
quick results with which it completely
breaks up the most tenacious cold. Grip
Fix has been used everywhere in Canada
for ten years, and no remedy is better or
more favorably known. Grip Fix comes in
capsule form, convenient to keep or carry,
easy to take. In this way a cold can be
cured in a single night. Thousands of
cases prove it—an unfailing record of
success. Get Grip Fix from Orme's Drug
Store Ltd. 225 a box.
