

DEAN, PARTNER OF BUD BARRIE, IS IN HOSPITAL ALSO

Fall Down on Terrace Street and Sustained Broken Collar Bone - Barrie Will Soon be Here

A letter received at the Grotto Store today from Bud Barrie, who is in the Hazelton Hospital following the recent accident at Terrace when he lost his right arm in a sawmill, tells that E. Dean, who left the city a few weeks ago with Barrie to work at Terrace, is lying in the next bed to him suffering from a broken collar bone. Dean had quit the Latta & Giggey mill to work in the mill and was walking down the street in Terrace when he fell and sustained his very painful injury. He was removed to the Hazelton Hospital where he has been suffering a great deal. Barrie expects to return to Hazelton next Sunday.

In the Letter Box

THEATRE PROGRAM

Dear Sir: To clear myself in regard to the large amount of criticism and accusations regarding the disappointment in the showing on the program "The Button," next Friday and Saturday, the picture has been absolutely held to our detriment by the Globe Theatre, Vancouver, without regard to our contract or the disappointment of our patrons.

The following telegram was received from Mr. Allan, manager of the Globe Theatre, February 15, Monday, Tuesday and Wednesday, worst days in Vancouver history. Business absolutely terrible, therefore want to hold "The Button" for three days next week. Satisfactory with results, providing O.K. with you. I can play one week later. I would do you no harm and I am considerably. Kindly confirm arrangements.

"IZZY ALLAN." This wire was not answered. The following day this one was received: "Please consider wire and confirm arrangements, rush reply."

"ALLAN." In answer to the following was sent: "Must absolutely have 'The Button' on dates contracted. Have advertised extensively, and will hold Exchange for all losses from same."

"Prince Rupert Amusement Co." Then the following wire was received from the Exchange: "February 17: Unable to send 'The Button,' February 23, regarding 'Queen of Moulin Rouge.' Only possible dates available 'The Button,' February 28, as alternative. Advise."

Answered this absolutely regarding and got a wire from some photographer in the Exchange stating: "Impossible to ship," and stating that the manager was out of town. So you can see that the Vancouver picture was again brought to bear on Prince Rupert is concerned, that is Vancouver first and Prince Rupert if it is convenient. Look forward to the papers to see if same is advertised in Vancouver.

Thanking you for assisting me in showing no fault of mine. Prince Rupert Amusement Co., Limited. B. F. SELF, Sec.-Treas.

Ten Years Ago in Prince Rupert

February 21, 1913. The coal famine in the city is serious and there is no relief in sight since there is also a famine in Vancouver. The Union Transfer Co. has not a pound for coal and Rogers & Black have orders for 75 tons more than they can fill.

W. R. Lord, manager of the cannery department of the Canadian Fish & Cold Storage Co., Ltd., is a visitor in the city today. He says that Prince Rupert is destined to become the most important fishing centre on the Pacific coast.

F. W. Hart announced yesterday that he had let a contract for the building of a business block on the several lots west of the Bank of Montreal to the corner of Fifth Street on Third Avenue. He has a long time been on the property.

If You Trade Out of Town, and I Trade Out of Town, What Will Become of Our Town? THE DOLLAR SPENT IN PRINCE RUPERT WILL "REMAIN HOME TO BOOST"

"Trade at Home" Campaign

Read these articles with care. They may present something you haven't thought of before. Patronize the people whose advertisements are here. They are neighbours and will treat you right. The money you spend with them stays in circulation in your district

YOU SHOULD BE AS LOYAL TO YOUR COMMUNITY AS TO YOUR NAME.

The Prince Rupert concerns listed here, conscious of the fact that thousands of dollars are being sent out of this territory for merchandise that can be bought at home, have launched a campaign in the hope that it will create a stronger feeling of community interest—a sentiment most vital for the prosperity of the entire community. In bold type you therefore read the slogan that they propose to popularize—"TRADE IN YOUR HOME TOWN."

The time for consideration of this question could not be more opportune than at present. "Financial Preparedness," the watchword of Canada, should begin at home and can be exemplified in no more far-reaching manner than by real co-operation in this vitally important "TRADE AT HOME" movement. It is a thought that should be taken to heart and given consideration by every person who earns their living in, or owes their success to, this community.

This campaign is launched in the firm belief that the people of this community will follow the dictates of their good sense, and bring the "TRADE AT HOME CAMPAIGN" to an actuality that will be of vast benefit to the entire territory.

This movement is no selfish propaganda of these progressive concerns who have combined in co-operative community appeal. They urge that you read the brief message they will give you each week through the columns of The News.

The firm resolve to "TRADE AT HOME" will not only help the retail merchants, but the manufacturer and jobber, the farmers adjacent to our town, and it will also help in every line of business. It will either directly or indirectly benefit every individual of this section.
