HARVEST SUPPER AT TELKWA THURSDAY

Anglican and Union Churches Combine Efforts With Very Good Results

of the most pleasing events held in Telkwa for a long time was a harvest supper held in the Union Church on Thursday evening. This was a combined affair, the Angliean and Union churches both taking part and showing their true community spirit in the way they worked together. Large tables were spread and the coffeetion of good things to eat would have tempfed the most dainty palate. After everyone had obtained that feeling of satisfaction which comes at the close of a hearty meal, the tables were taken out and a short program of speech and song was enjoyed.

Mr. P. Spouse made a most entertaining chairman and kept the audience in a happy frame of mind by leading in a good deal of community singing. Solos were 198 rendered by Mrs. T. M. Ovens. Rev. Mr. Lees of Smithers, and P.

A quartette of "colored folk" gave a very pleasing number in which singing was the chief H. H.
