The Coughs and Colds of Children

Only the mother knows how hard it is to keep the children from taking cold, they will get overheated and cool off too suddenly, get their feet wet, kick off the clothes at night, and do a dozen and one things the mother can't prevent.

A great many mothers are now giving their children

Dr. Wood's Norway Pine Syrup

It is pleasant and nice for them to take and relieves the cough or cold in a very short time.

Mrs. J. Wilson, Portage La Prairie, Man., writes:—"I have used Dr. Wood's Norway Pine Syrup for my five children. My little girl, two years old, had a very bad cold last winter, which I thought was a group. I had some 'Dr. Wood's' in the house so gave it to her and she was free the next day; also my baby, three months old, had a bad cold and I gave it to him. It cuts and brings up the phlegm, and is the best cough medicine I ever used."

THEY CALLED HIM AN "OLD PILL"

THAT was years ago when he packed a terrible grouse, a mighty irritable stomach and a liver that refused to do the things that all good livers should. No wonder his friends called him an "old pill" and stayed away.

But that was years ago—long before he discovered Beecham's Pills and learned that two at bedtime can bring sunshine into a man's life. Today, he's an optimist, a hero to his wife, and a staunch believer in Beecham's Pills.

The cheer that Beecham's Pills bring into a man's disposition, is the incomparable cheer of sound digestion, active liver, and the regular habits that make good health.

The Man in the Moon SAYS:-

DANCING is not very popular here just now. It has given place to that wonderfully healthful recreation, bridge.

THEY had a dancing contest in Spokane the other day. Big prizes were given to the best waltzers and the event brought out all the best people don't you know.

THE subject of dancing is often discussed in newspapers. Here is the way one country paper describes the antics of the new dancers: "Some dancers go about it locked in deadly embrace with drawn faces and to all appearances suffering extreme torture others simply jump into a half nelson and do a combination jig and elephant step; others content themselves with the Graceo-Roman side-hold with a sort of frog motion; the tall man and the willowy girl generally adopt the more subtle jui-jitsu style, while the hard-boiled prefer the catch-as-catch-can with toe and scissor-hold barred."

ONLY the poorest grade of Havana cigars are made in Havana.

ONLY the very worst of Paris styles are invented in Paris.

EVEN Prince Rupert weather is not made in Prince Rupert. It is manufactured in the south and east for consumption in those places.

SOME people think it a disgrace for their husbands to be in jail. That is where they make a mistake. Think of where he might be if he were not taken care of by the state.

THE country is going to the dogs for the people have scarcely enough money to buy new automobiles and motor boats this spring.

WHAT people like about news that comes from Germany or Turkey is that it has all the charm of uncertainty.

SINCE women are learning to act and talk like men and even to roll their own, it is said that they are developing moustaches and will eventually develop many other masculine characteristics.

WHAT I like about Vancouver is her March snows.

THE Vancouver Sun is putting up a fake story about the possibility of a provincial election. There is possibility of course and there is a possibility that the owner of the Sun may be premier, but very little possibility.

FOR NURSING MOTHERS, children and invalids a diet of Oxo and milk is particularly valuable.

OXO AND MILK

This nourishing and easily digestible diet is created by mixing an Oxo Cube with a cupful of hot milk.

OXO INVALID JELLY
