BURNS LAKE AND LAKES DISTRICT

Messrs. Hunter & Ennis, of Colleymount, have a fine field of spring wheat which is a credit to the owners and to the Colleymount district.

M. F. Nourse made a business trip to the Colleymount district last week.

G. A. Woodland, of Prince Rupert, was registered at the Omineca Hotel, Burns Lake, on Friday.

J. A. Wiggins was a Babine visitor in Burns Lake on Saturday.

Bob Horning and Mr. Rendel, of Forestdale, were visitors in Burns Lake over the week end.

C. C. Dittmer, of the Dittmer & Robb Hardware, left here on Saturday for a holiday to southern points.

The Schreiber Bros., of Colleymount, are engaged in the task of clearing up their large holdings in the Colleymount district south of the lake and are testing out various farm products and fruit trees in order to ascertain what the district is best suited for.

Percy Carr is planting out lilacs and other fragrant deciduous shrubs around his residence. In a year or two these will add greatly to the appearance of his property.

After Bruin had eaten one lamb and made a trip back for another one, Ed Newman, of Tehesink Lake, decided it was time to take a hand in the game. He set out a tasty meal for Mr. Brown Bear and kept handy with his rifle. Unfortunately Ed only had one cartridge on the ranch and he had to call on Mr. and Mrs. John Blanch to come with weapons and help dispatch the brute. John seized an axe and Mrs. Blanch took a pitchfork, but though the beast was badly wounded he managed to escape into the bush and they followed him for several miles before they were fortunate enough to put him finally out of business. Mrs. Blanch says that farm life in this country does not lack excitement.

Mr. and Mrs. Eber Twaddell have returned to Burns Lake. Eber has been relieving foreman on the section at Forestdale for several months.

Mrs. L. Peterson was visiting in Burns Lake at the home of Mrs. H. McPhail last week.

Mr. and Mrs. Wm. Saunders, of Palling were business visitors in Burns Lake on Saturday.

M. O. Stich, of Forestdale is spending a few days in Burns

Lake. Collingwood R. Schreiber, of Colleymount, was transacting business in Burns Lake on Friday.

STEWART

The Stewart hospital board, fire committee and Citizens' Association have joined forces and the departments for the future will be controlled by the one executive.

Bert Olsen, Tim Williams and Bill Hobill have returned to Stewart after being away for four months to Bowser Lake and the head of Unuk River on a trapping expedition. They brought in 100 fine beaver skins, a number of marten and mink, one wolverine and a fisher.

Mr. and Mrs. W. R. Tooth have leased the Ocean View Hotel at Hyder to Mrs. Florence Smith and have come here to live.

J. Frank Breeze has bonded the L. and L. group of claims up Glacier Creek from John Howland, administrator of the estate of the late John Lockwood.

Jancowski Bros. have turned electricity into the new wires from their recently built plant and Stewart now has a public lighting system in actual operation.

The Forty Nine and Bush mines have been taken over under working bonds by H. S. Denny and associates of London, England, and both properties will be worked this year under the supervision of B. W. W. McDougall.

Beaton & Hemsworth, Vancouver brokers, have bonded the Guggenheim group on Georgia River from the Georgia River Mining Co., and will do development work this summer.

G. D. B. Turner, manager of the Indian Mines, is on a six week's business trip to Montreal.

Ernie Armstrong suffered painful injuries to his leg last week when a large boulder fell

on him. He is confined to his home under the care of Dr. Whillans.

A. K. Sweeney, mechanic at the Premier Mine, has left here to visit in Scotland and Belgium.

TELKWA

After a month's holidays at the coast cities Mr. Mapleton returned on Thursday's train. He is feeling greatly benefited by the change.

A meeting of the Telkwa harbor committee was held on Friday evening. Plans were outlined and arrangements made to insure that the barbecue in September be the biggest yet.

Miss Gladys McDonald, who has successfully completed her advanced term at the Vancouver Normal school, returned to her home last week. She was accompanied by her sister Perle who has been visiting at the coast.

Mrs. Wm. McGrath and son Billie left on Friday morning for Seattle where she will spend several months.

Mr. Mack of Vernon has arrived as teller on the staff of the Royal Bank here. He takes the place of Miss Winnifred McDonald who has recently resigned.

Mr. and Mrs. Sam Johnson have gone to Prince Rupert.

Many surveyors and mining men are in the district. Things in this part of the world seem to have taken a turn in a hopeful direction.

A day's rain last week delighted the farmer and the gardens and crops are looking much better for it.

L. W. Patmore is back after spending the holiday week-end upriver.
