CONVENT RECITAL WAS AN ENJOYABLE EVENT

Young Ladies Showed Marked Musical Ability in Classic Selections.

The recitals given by students of St. Joseph's Academy, gave a most enjoyable recital last evening before a large audience, the assembly room at the convent being filled for the occasion. The quality of the work reflected the greatest credit on the sisters of St. Joseph whose painstaking instruction made the event possible. Most of the work was instrumental but there was one vocal selection, that of Miss Ackerly, who showed much promise. She was accompanied ably by Miss D. Stephen.

At the close Father McGrath spoke a few words of appreciation of the work of the pupils and teachers and Dr. Grant expressed his thanks for the care and attention his two daughters had received in their course of instruction at the Academy.

Mr. Pitman who conducted the examinations for the Toronto Conservatory of music said: "I would like to give some expression to the very keen pleasure I have had in listening to the recital this evening. I think you will agree with me that the showing made this evening marks a new high-water mark of achievement for the music department of St. Joseph's Academy."

"It is five years now since I became interested in the work here and it has been an increasing pleasure to note the steady progress made. Tonight's recital shows what real musical talent combined with good teaching and persistent diligence in study will do. "The technical methods used are modern and thoroughly sound and the musical appreciation and musical expression demonstrated by the pupils shows that the teaching staff has reached an advanced position in the difficult art and science, for it is both, of piano pedagogy. If I might close with a word of encouragement, I would say "Weary not of well doing."

The program follows: Study, Bellak, Misses J. Couture and B. Horstman. Dancing Stars, Duelle, Misses D. McKenzie and M. Murray. Sunshine and Shadow, Werner, Miss E. Vickers. Dorothy, Smith, Miss G. Ackerly.

Suffered from PIMPLES & BLOTCHES for Fifteen Years

When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system. There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as

Burdock Blood Bitters

This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it as a blood cleanser. Mr. Albert R. De Witte, Lake Valley, Sask., writes: "I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so bad I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters. I have used three and a half bottles, and now I have a clear, rosy complexion."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
