GIL'S DEFEATED SONS OF CANADA

Canucks Lost First Senior League Baseball Game last Night—Score 10 to 8

The Sons of Canada sustained their first defeat of the season in the Senior Baseball League last night at the hands of Gil's by a score of 10 to 8.

Gil's first at bat made five runs to start with principally because of loose fielding on the part of the Sons and a couple of safe hits. George Hill struck out, W. Mitchell got first on an error and Bazett-Jones walked, Easson singled and scored Mitchell and Bazett-Jones, Hamilton following up with a two bagger which scored Easson. G. Mitchell got first on error and Hamilton scored and H. Frizzell got to bases on another error which scored Mitchell, V. Menzies and D. Frizzell, Sons of Canada third and first base men, were responsible for two and one of the errors respectively.

With Gil's having a good lead, the game continued in a rather listless manner, each side scoring now and then but not enough to make much change in the situation. At the end of the seventh, the Sons of Canada hopes went up when J. Sims, Farquhar and A. Mitchell filled the bases with the strongest Canadian batters following them. V. Menzies poked out a nice two bagger which scored Sims and Farquhar. Hatchford, next to bat, was wisely walked by Frizzell and the bases were full again. H. Astoria came up with a three base hit which scored Mitchell, Menzies and Hatchford. The five runs were all that the Sons were able to gather in, however, which were not enough to overcome the lead against them.

Feature Plays

Feature plays of the evening were a pretty running catch of Shaw's infield fly by Farquhar, Sons of Canada short stop, in the second inning, and a healthy big hit to left field in the third by V. Menzies which looked like a homer and should have been at least a three bagger but for the fact that the runner stumbled between second and third and as a result was put out.

Pitching honors were divided between Lidstone, of the Sons of Canada, and Howard Frizzell, Gil's, who held down the mound throughout each having eight strike outs to his credit. The Sons of Canada had their share of hits and made more big ones than Gil's. Fielding errors were principally responsible for their defeat.

Lineups and Scoring

P. Laporte and G. Walls were the umpires and the teams took the field as follows:

Gil's—George Hill, 3b; W. Mitchell, cf; S. Bazett-Jones, 1b; A. A. Easson, ss; Hamilton, c; G. Mitchell, 2b; H. Frizzell, p; W. Lambie, rf; G. O. Shaw, lf.

Sons of Canada—J. Farquhar, ss; A. Mitchell, 2b; V. Menzies, 3b; Jack Hatchford, cf; Harry Astoria, c; R. Smith, lf; D. Frizzell, 1b; D. Lidstone, p; J. Sims, rf.

Score by innings:
1 2 3 4 5 6 7
Gil's 5 0 1 2 9 2 0—10
S. of C. 0 1 1 1 0 0 5—8

TIMBER SALE X 5132.

Sealed Tenders will be received by the District Forester not later than noon on the 30th day of June, 1923, for the purchase of Licence X 5132, on south shore Drayney Inlet, C.B., 2, to cut 245M. feet of cedar, hemlock, and balsam sawlogs.

OCEAN FALLS BALL TEAM CANNOT COME SO ANYOX ENGAGED

Ocean Falls has wired the Sons of Canada Dominion Day celebration committee that it will be unable to send a baseball team here as originally intended because of the fact that it has been decided to hold a celebration there. Accordingly, the committee has now made final arrangements to have a team come here from Anyox instead.

Anyox this year possesses an abundance of good players making it possible to send a first-class team here and also keep a team at home to play with Ketchikan on the same day.

ANYOX SENDING BASEBALL TEAM

Sports Arrangements Discussed by Community League at Smelter Town

TWO GAMES JULY 1

ANYOX, June 22.—The regular meeting of the Community League Council had to do mainly with the manner in which Dominion Day was to be observed. Those present were Vice-President Callahan, who occupied the chair in the absence of the president, Mr. Lewis, Secy.-Treas. Townsend, Councillors Messrs. Jones, Seidelman and Simpson.

The minutes of the previous regular meeting were read and adopted, as were the minutes of a special meeting held on June 6 in the Gymnasium for the purpose of discussing Dominion Day matters.

The Secretary's report stated that the Sports committee had met twice since the special meeting, both occasions being in the afternoon, and drafted a program for the first of July celebrations, and which was submitted to the councillors present for their approval. The Tennis Club had asked for the usual donation for the purchase of prizes for the tournament which they had decided to put on in connection with the holiday.

The swings at both playgrounds had been put in fine repair by Messrs. Woodward and Simpson, and a good job had been done. The addition to the grand stand at the ball park was completed, and is a very good job. It is the intention to have Messrs. Williscroft and Gillespie who did this work do the footpath across the Flats bridge if they can be induced to take it on.

In connection with the kindergarten matter, the secretary said he had written east for information as to salaries received by competent teachers and the approximate cost of equipment, etc. for such an institution. Tickets are on sale for the Ketchikan-Anyox ball game and the July celebrations.

The fan which was ordered and received from the Canadian West-Ingouhouse people, will be shortly installed, and is held up temporarily owing to a misunderstanding, the proper parts not arriving with the shipment.

The secretary of the Baseball League has been corresponding by wire with Prince Rupert. For the celebration of Dominion Day in that city a team of ball players is wanted. Unfortunately prior arrangements had been made with Ketchikan for one team. A second team was offered and accepted and the amount of the guarantee wanted asked for.

The Council approved the program as drawn up by the committee, and it will be printed by Mr. Moss, of Alice Arm. The Council approved the amount asked for by the Tennis Club, and that a ball team be sent to Prince Rupert for the date asked. Considerable discussion took place over the arrangements for the Dominion Day celebration.

MONEY NEEDED FOR SALT LAKE

Bathing Facilities in Bad Shape Now Constituting Danger to Children and Grown-ups

To make the Salt Lake safe as a bathing place for children and to put the dam, floats and diving tower, etc., in fit shape for use, it will be necessary to raise some \$500 immediately, officials of the Prince Rupert Swimming Club state. At present the finances of the club are in a straightened condition and there is no money with which to do the work. To raise money, the club is selling membership tickets for adults and children and, at the moderate fee being charged, many tickets will have to be sold to realize the required amount. A delegation from the club will also approach the city council with a request for a grant. The provincial government has spent several hundred dollars this year on improving the surroundings at the lake by repairing the walks and other improvements and it is felt that the city should also do something towards the cause.

The property of the club at the lake including the dam, floats and diving tower are in a dilapidated and dangerous condition at present. Because the dam does not hold back the water, the level of the lake is some 18 inches or more below what it should be. This means that there is no water on the beach that was formed for children paddling. It also means that the water is shallow near the floats constituting a danger. The floats themselves are in bad shape and logs will have to be renewed and replaced under them. The diving tower is broken and in a shaky condition, making another danger. It will be towards the improving of these facilities that the money the swimming club wants will go.

There have been considerable improvements at the Salt Lake this year but, as has already been pointed out, this work has all been done by the provincial government and does not affect the bathing facilities proper. This is work the Swimming Club, supported by the city and citizens, will have to look after.

HARVARD-YALE RACE TOMORROW

Two Big American University Rowing Teams to Compete on Thames

NEW LONDON, Conn., June 22.—(By the Associated Press).—The crews of Harvard and Yale, rivals for more than 50 years in the most picturesque of college boat races, a long, four mile pull, polished their sweeps tonight in preparation for the 56th renewal of the event, to be rowed downstream tomorrow afternoon on the Thames river.

Advance crowds of followers of the Blue and Crimson flowed into New London throughout the day giving promise of one of the gayest and greatest of regatta gatherings. Tomorrow they will find places on the long, tarpaulin covered observation trains or on the river banks, follow the progress of the even-swept boats and cheer the straining oarsmen.

Tomorrow morning the colors of the universities will be fluttered for the opening races, between the younger crews. These events are over a two-mile course between the freshmen and second varsity crews.

Yale comes to the regatta tomorrow with one of the finest crews in her rowing history. Fashioned from green timber in less than a year by a new coach, young Ed. Leader, who previously won fame with the University of Washington eight, the Blue varsity has been one of the few undefeated eights of the year. It has beaten Columbia, Cornell, Pennsylvania and Princeton. Straight-backed, indefatigable, well distributed, this Blue eight is one of Yale's greatest athletic turnouts.

Harvard too, has a good crew, although its earlier races have not been so impressive as those of Yale. The Crimson finished third in the triangular event with Navy and Princeton on Lake Carnegie and was beaten by Cornell on the Charles.

On the Mountain Top

CLIMB the mountain---stand on the peak---and before you there unfolds a panorama extending as far as your eye can reach. Stay in the valley, and your view is restricted by the surrounding hills.
This newspaper, properly used, will guide you to the mountain top. Read it and your vision is enlarged. You get a bird's-eye view of world events. You glimpse the doings of the day.
Fail to use it, and your view is limited---you remain in ignorance not only of events at home and abroad, but of much that concerns you even more vitally---news of the very things that have to do with your personal, everyday life.
Some one might be selling a new, better and more economical food; or a utensil that would add immeasurably to your comfort and well-being; or some better material for shoes or clothing---but you would never know, because of your restricted view.
You may read every line of the news columns, but if you overlook the advertising, you are still living in the valley. You remain uninformed about many things you ought to know in order to live a happy, useful, profitable life in this age of progress.
Climb out of the valley to the mountain top. Read the Advertisements.

Sport Chat

The end of English betting still seems far off. The special committee appointed to help the government decide whether it will pay to tax betting, held another public session recently and examined several police officials. Their testimony was against such a tax. Mr. Caldwell, police superintendent of Liverpool, said such a tax would only be effective on the poorer people who bet on the street and would not reach the more well to do whose betting was not so open. Theophr Bingham, assistant commissioner of the Metropolitan police force, said that it would require a prohibitive police force to enforce such a law fairly as the streets of London were riddled with betting. He felt that some way would be found to evade such a law anyway.

The official program for the eighth Olympic Games at Paris, France, in 1924, has been issued by the French Olympic Committee, as follows:
Winter sports, including ice hockey, Jan. 24 to Feb. 5, at Chamonix.

May 3 to May 19.—Rugby.
May 15 to June 9.—Football.
June 19 to July 3.—Polo, except July 3.

June 24 to June 29.—Rifle and gun, except June 24.
June 23.—Morning—Ceremony at Notre Dame. Afternoon—Sorbonne.
June 24.—Opera.
June 28 to July 8.—Fencing afternoon and evening, except July 3 and 8.

July 3.—Morning.—Congress of Permanent Bureau of International Federation; afternoon, Reception at the Elysee; evening, banquet to the International Federation.
July 5.—Opening ceremonies of the games; march past of nations.
July 5 to 13.—Athletics, afternoon.
July 6 to 9.—Greco-Roman wrestling.
July 10 to 13.—Free wrestling.
July 10 to 14.—Rowing.
July 12 to 17.—Modern Pentathlon.
July 13.—Evening, Banquet to International Olympic Committee.
July 13 to 20.—Lawn Tennis.
July 13 to 20.—Swimming.
July 15 to 20.—Boxing.
July 17 to 23.—Gymnastics.
July 17 to 23.—Popular games demonstration.
July 20.—Demonstration of French Boxing.
July 24 to 24.—Demonstration of Basque Pelote.
July 24 to 24.—Weights and dumbbells.
July 24 to 27.—Equestrian games.
July 23 to 27.—Closing of games.
July 28.—Congress of International Olympic committee and Olympic committees.
