

Play safe on oil

It's important to you, to your motor, to your pocketbook-that you get a distilled lubricant for your car. There's just one way to be sure of getting it.

SUNDCO THE DISTILLED OIL

is the distinctive, distilled lubricant for motors; made by an exclusive patented process.

You know what distilling does-removes every impurity. Every one of Sunoco's six types-Light to XX Heavy - is pure, distilled lubricant. Ordinary oils consist of light oil with "cylinder stock" added to give body. It's cylinder stock that causes your carbon troubles.

Ask your dealer or write us for booklet, "What's Happening Inside Your Motor?"

There were features that were not needed here. He was not favorably disposed to the suspension of the city's license fees and authorization of the use of the city's streets for games of chance and exhibition of undesirable shows. The company that followed such shows was not always the pest. The city had enough vice to contend with already.

Clean Company

Mr. Watkinson explained that his company was unique in that it was absolutely clean. It would! provide entertainment that would be appreciated by a large section of the community.

Ald. Macdonald felt that might be well to get Ketchikan's opinion about the company. was certainly not in favor of encouraging the company to bring in games of chance when the city was legislating against them.

The decision was then made to appoint a committee to investigate and report to the council at special meeting tomorrow even-
