A daughter was born to Mr. and Mrs. David Roumieu, and a son to Mr. and Mrs. J. B. Edwards, of Nichol, at the city hospital on Sunday last.

J. D. Newlands, of Salmon River, has returned to the city from Missouri, where, with Mrs. Newlands, he spent the last few months at the old home. Mrs. Newlands remains in the east for the summer.

James Brown, who was employed by the Red Mountain Lumber Company, at Penny, met with a painful accident a few days ago when he was caught by a falling tree. He received severe bruises to the leg, and one ankle is injured, but it is not thought any bones have been broken. He is being treated in the local hospital.

J. D. Galloway, district mining engineer, passed through the city on Sunday last having spent some time in the Cedar Creek mining district. Mr. Galloway is on his way to Smithers where he will look over some of the properties being developed in the vicinity of Hudson Bay mountain. He expects to return to Prince George in a couple of weeks and will then inspect the Six-Mile placer field.

SMITHERS

John Dunphy, of Burke, Idaho, has purchased an interest in Paddy Higgins' group of claims at the head of Driftwood Creek. Wm. Estby, one of the interested parties in this property by an agreement of two years ago, has sold half his interest in the claims back to Mr. Higgins.

A number of Smithers men have become financially interested in the Rainbow No. 1, Rainbow No. 2, and Bird claims in the Babines. This is the group recently taken over by James Wright from J. S. Kelly and on which some encouraging showings have recently been opened up. Wm. Foley, who is interested in other properties in that section has taken a seventh interest in the Wright holdings.

James Cronin is due to arrive in Smithers before June 1 and arrangements are now being made to take supplies in to the Babine Bonanza camp.

A. H. Morrill arrived in town from Vancouver on Saturday to take charge of the office of the Duthie mines in town. Mrs. Morrill will arrive in a short time.

While playing on the old seesaw on Wednesday night Angus McLean was thrown to the ground. Putting out his hand to protect himself, two bones of one wrist were broken.

The Mystery claim on Four Mile mountain, near Hazelton, was involved in a recent mining deal. This property adjoins the Surprise and has been owned by J. H. Willan, the sale being made to George Hodgins.
