### RUHR OCCUPATION IS DEBATED BY CHURCH CLUB ON THURSDAY

An interesting debate on the question whether the occupation of Ruhr by the French was a sound policy took place Thursday evening in the Anglican Church hall, Dr. Bayne being leader of the affirmative and H. A. Phillipot of the negative. Others who took part were Sid Johnstone, George Hill, A. S. Paul, W. J. Nicholls, C. V. Evelt and Ald. Theo. Gollart. The judges were Archdeacon Rix and A. W. Healy, and they decided that the affirmative had won by a very narrow margin. Most of the speakers supported the French.

The next debate will take place a week from next Thursday, the subject being "Resolved that immigration into Canada should be restricted to English speaking nations."

### LOOK AT ONCE TO SIGNS OF A COLD

Colds or Grippe Should Be Promptly Checked

No person who has any regard for health, can afford to neglect a cold. You positively can't afford to say: "It's only a cold, let it run its course." Any physician will tell you this is a grievous mistake, one for which many pay the price in the form of acute disease, some with fatal results.

As soon as signs of a cold appear start taking Grip-Fix, the remedy which can be obtained at any drug store, and which will give relief in a single night. Its action on the system is almost immediate, the natural channels for carrying off systemic poisons being kept open, the feverish condition developed by colds kept down, and the accompanying muscular pains in the back and other parts relieved.

There is absolutely no secret about what is in Grip-Fix. The formula is printed on every box, show it to your family physician if you want to. Most doctors will heartily approve it.

On sale at Ormes Drug Store Ltd., 35c per box.
