Help the Veterans

Try this new patience

The Poster-Judging Competition now being conducted in Canada for the benefit of the Veterans' Associations is one of the most fascinating of games. On the ticket-folder which donors of $1.20 are presented with, sixteen of the most famous posters of BOVRIL are reproduced in colors.

Which are the 12 best, in order of merit, is what you must decide. The folder shows just what you must do and how to do it.

It is an interesting trial of taste and judgment to class these posters in the order which popular fancy will endorse. It is a real game which can be played over and over again, and in which all the family can join and which will interest visitors, be they young or old.

And just think of the possible reward? A Prize which is a real fortune—and you help an excellent cause.

You can make as many trials as you like—for every donation of $1.20 one ticket-folder is presented, thus $12.00 secures 10 folders—though only one prize will be given to one person.

BOVRIL LIMITED has donated £30,000, about $138,888, which has been divided into 2,003 prizes. The first three are approximately as follows :

1st	Prize,	$55,555.00
2nd	"	13,888.00
3rd	"	4,555.00

TREAT HEAD COLDS WITH VICKS

Manitoba Lady Says It Is "A Great Remedy."

At the first sign of a cold in the head, melt a little Vicks Vapo Rub in a spoon. Inhale the vapors. Then insert some in nostrils, snuffing it well back. You will be delighted to see how quickly it helps to break up a cold.

Another way is to heat a tin cup, put in a teaspoonful of Vicks and inhale the vapors that way. As fast as the vapors lose their strength, throw out the melted Vicks and add fresh.

Mrs. J. Briars, of Plumas, Manitoba, says: "Vicks VapoRub is a great remedy for colds. I inhaled it for a head cold, which had troubled me for some time, and received great relief from it. I shall make sure to always have Vicks on hand in case of need."

Vicks VapoRub, the discovery of a Southern druggist, is a combination in salve form of Camphor, Menthol, Eucalpytus, Thyme, Turpentine, etc. It is good for all cold troubles.

Applied externally over throat and chest, as in the case of a chest cold, sore throat, etc., Vicks acts like a liniment or poultice. In addition, the ingredients are vaporized by the body heat and are inhaled directly into the inflamed air passages. This double action quickly loosens a cold.

Vicks is the ideal treatment for colds—both for grown-ups and for children—because it avoids so much internal dosing. Just as good, too, for cuts, burns, bruises, sores, stings and skin itchings.

At all drug stores, 50c a jar. For a free test size package, write Vick Chemical Co., 344 St. Paul St., W., Montreal, P.Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.
