ANYOX BASEBALL TEAMS PLAY DRAW

Objection Taken to Decision and Protest to be Lodged by Mine

ANYOX, June 27.—Up till the end of the fifth inning, as good a game of baseball as the most dyed-in-the-wool fan would want to see was staged on the local ball lot on the evening of the last game played in the schedule. One error was all that could be checked up against the combined teams and one hit was the best the batters could get. On two occasions in these five innings the bases were full, once in the second when, with two men down the Mine had a chance to make baseball history and fell down when Olson struck out; and again in the last of the fifth when, with two out, McKenna reached first, Ferguson walked, Whitteker and Thorley and Downs could only hit to third, retiring the side. Both teams played great ball the outstanding features of the game being Down's run after a long drive off Mealey's bat to deep left, and which was gathered in; and Cody's sensational one-hand catch of a difficult foul by Greenwell.

In the sixth, the fireworks started and the end is not yet. In their half of the sixth, the Mine got two runs across the plate by timely batting and a costly error or two on the part of the Elks. By the time they were retired, the rain began to fall. Campbell, the first man up for the Elks, had several balls pitched to him when the Umpire called the game; and as the rule states that a game called on account of rain or darkness must be governed by the standing of the teams as at the end of the fifth inning there was nothing else but to call it a draw.

The followers of the Mine objected to this, and various arguments accrued on the field, with the result that a protest has been lodged with the governing board of the Anyox Baseball League.

Batteries for this game were: Elks, Fitzpatrick and Cody; Mine, J. Ferguson and Greenwell. Umpire, W. Olsen; base umpire, J. McKenna.

Line-up: Mine—Mealey, Greenwell, C. Ferguson, Anderson, J. Ferguson, Olsen, Corkle, Stewart, Allan.

Elks—Downs, Campbell, Fitzpatrick, Greenwell, McKenna, McIntyre, Whitteker, Thorley.

ELKS FOOTBALL TEAM LOST GAME AT ANYOX

ANYOX, June 27.—After putting up a splendid game of football against the Sneller in the previous game, the Elk's team somewhat disappointed their supporters when they allowed the Mine, which had been at the bottom of the winning column, to score a win of two to nothing over them. It did not look or

Had Constipation for 6 Months Was Relieved by Milburn's Laxa-Liver Pills

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spells, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Miss R. C. Hunt, Port George, N. S. W., writes:—'I have been troubled by being constipated for the last six months.

My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which I only used two vials.

perform like the same team; and while "Baker" Robertson was not in the line-up for this particular game, it hardly warranted the lack of aggressiveness displayed by the antlered aggregation. The Mine worked hard all the time and were rewarded by a victory justly earned, forcing the game at all stages. Evans kicked both goals for the "Muckers." Reference, J. Evans. The line-up: Mine—goal, Corkle; backs, Stewart and Spears; half backs, Garry, Pyne and Currie; forwards, Twaddle, Barnes, Lange, Evans and Stubbs.

Elks—goal, Baillie; backs, Baillan and Robertson; half backs, Crawford, Scott and Carter; forwards, McKenzie, O'Connell, Robertson, Sellars and Hay.

LABOR COUNCIL IS ALREADY STARTING LABOR DAY PLANS

The Trades and Labor Council is already making preparations for the annual Labor Day celebration and it was decided at last night's meeting to ask the city council for the exclusive use of the Acropolis Hill grounds on that day. A committee was appointed consisting of Joe Gillis and Ald. S. D. Macdonald to interview various unions of the city, including the Fishermen's Union, with a view of obtaining their co-operation in making the celebration the biggest and best that had ever yet been held. Half of the proceeds of the celebration have been promised to the Nurses' Home Fund.

METHODISTS TO GET ACROPOLIS GROUNDS

A letter from the Methodist Sunday School was read at the council meeting, held in the City Hall last night, asking for the use of the Acropolis Hill grounds some time during the first or second weeks in July, the date to be arranged so as not to conflict with any previous ar-

rangements. Alderman Smith moved that the request be granted for a day which was not to interfere with any pre-arranged plans. The motion was seconded by Alderman Perry and carried.

State Comptroller Bugbee, director of the New Jersey Boxing Commission, has ordered Jess Willard to report for physical examination before Wednesday to prevent a last-minute slip-up in the Willard-Firpo bout at Jersey City, July 12.

Miss Helen Condon, of Omaha, recently broke two mid-western tank swimming records. Miss Condon established her first record in the senior 50 yard backstroke event, negotiating the distance in 42 seconds flat—2.5 of a second faster than the old mark. In the senior breast stroke she clipped a second from the old mark, when she again swam the distance in 42 seconds.

Advice has been received from New York that Sir Thomas Lipton, famous Irish yachtsman, will challenge again this year for another series of races for the America's Cup, to be raced in the summer of 1924. Charles Nicholson and William Fife, two of England's most famous yacht designers, are to collaborate on the design of the new challenger, which will be named Shamrock V.

After a day's rest Jack Dempsey is scheduled to resume his training today in preparation for the defence of his title against Tommy Gibbons at Shelby, July 1. Jack Kearns, manager of the heavyweight champion, said that Dempsey probably would work out without interruption until three days before the contest, when he will drop off all work with the gloves and do only light training to keep in condition. Manager Kearns says "Dempsey is in great shape and is better right now than he ever has been. He is four times a better fighter than he was when he met Jess Willard at Toledo."

COLTS BEAT WHITE SOX INTERMEDIATE GAME LAST NIGHT

The Colts beat the White Sox by a score of 16 to 9 in last night's Intermediate Baseball League game at the Acropolis Hill grounds. Though things were pretty even and tight until the fourth inning when the score stood 2 all, the Colts had the best of it on the whole, the White Sox loosening up and letting their opponents get ahead until the ninth when both sides blew up, the Colts getting seven runs and the White Sox five. The game was featured with several snappy double plays. The attendance was very fair. J. W. Hamilton was umpire and the teams took the field as fol-
