

# MOOSE LODGE SOCIAL SEASON

Officially marking termination of social activities for the season, the entertainment committee, Royal Order of Moose, was host Tuesday night to the lodge executive and a small gathering of friends in the Moose Temple. A program of entertainment, directed by William Terry and Douglas Wood, took up the early part of the evening following which refreshments were served. Review of the past season's social functions was made by Mr. Terry and plans and suggestions for increased activity during the season to come were discussed.

# PAPERCHASE, PICNIC AND WEINER ROAST

Seventy-five Children Enjoy a Novel Outing on Highway

(By M. E. Anderer)

"Watch me fall of this log." It was a slippery log across the little creek where the combined groups were picnicking after they had followed the paper chase trail to its destination out the highway. Being a lady of her word she did that very thing and fell in. It may not have been the highlight of the afternoon's activities but it certainly made the biggest splash. Who was it? Miss Margaret Slinn, assistant recreation director of the Civic Centre playground staff. And every one of the seventy-five children all enjoyed the item.

Actually the Civic Centre corner was a busy and noisy corner about 4:40 p.m. The Northwest Construction Company had a gang busy at Lindsay's new garage. Another gang was busy drilling preparatory to blasting for Dr. Hankinson's new medical building and there were seventy-five children all ready to go. It was the paperchase, with a weiner roast at the end. Where was the end? That was the bait. The trail was laid by the Seal Cove group under Miss Linney

and fifteen minutes later the other groups under Miss Slinn and Miss Peggy Large followed. Parcels were varied in size, shape and contents. "Gee, this bag of mine is heavy." "Feel mine," said a larger girl. Parcels were exchanged and both were satisfied. One lad had difficulty with a bundle of old shingles... they were for kindling. At the site, water was boiled for safety reasons. And it did not take long for disposing of weiners, sandwiches, cokes, etc., etc. Then there was the clean-up and the return to town. Eight-thirty found the children back safely from a most enjoyable outing. Even then several paid a visit to the McClymont Park swimming pool for a last plunge in the cooling water.

Next Sunday there will be a bicycle ride for those with bicycles; and a bicycle means a two-wheeled affair, a "got-to-be-pushed-mobile." Tricycles and kitty-cars definitely out!

Captain John Cooper, who arrived at Glen Vowell six months ago from Steelarton, Nova Scotia, to become Salvation Army officer at that village near Hazelton, having arrived in the city from the interior at the end of the week, will leave tomorrow on the Princess Louise for a three weeks' trip to Whitehorse in Yukon Territory on Army business.
