Junior High Halloween

An enjoyable Halloween party took place in the auditorium of Booth Memorial High School last Friday evening.

Most of the popular program was provided by Junior talent. Benita Windle sang "The September Song" and "Sweet Sixteen," accompanied by Beverley Matson at the piano.

Allan Fredheim gave a piano selection. Eleanor and Bernice Hood sang a duet, "The Lord's Prayer," and "The Things We Did Last Summer."

Rosemary Kurulok and Donna Dennison formed a gay duet, singing "The Old Lamplighter."

The master of ceremonies was Robert Wood of grade 8B.

The girls' costume which was awarded first prize was that of Janet Rackow. She was dressed as a young damsel of the gay Nineties. Herbie Amos won first for the boys, with his sombre pirate's costume.

The varied games played included the following: The boys' 100 yard dash (eating crackers and then whistling).

The girls' 75 yard dash (first to drink a coke).

The boys' high jump (rolling an apple across the floor with your head).

The girls' high jump (eating cornflakes without milk).

The boys' broad jump (balancing a bean in a spoon).

The girls' broad jump (rabbit hop).

The boys' javelin throw (bounced balloons on the nose).

Mixed potato spoon race and hammer and nail race.

The winners of these games were: Elizabeth Martin, Bernice Hood, Isobel Taylor, Dorothy Marshall, Gerry Prockter, Billy Donaldson, Alan Sheppard, Roy Webber, Jimmy Holt, Raymond Davidson, Paul Siwicki, Billy Morrison, Penio Penoff and Stewart Hills.

One of the evening's highlights were the refreshments, consisting of hamburgers, cokes, cookies and cake.

Two hours of dancing followed the various skirts, songs and games.

Mrs. Moses supervised the decorating. Miss Anstey looked after the refreshments. Mr. Ewald catered and Mr. Church supervised the games.

SENIOR GIRLS' BASKETBALL

Bo-Me-Hi's entry in the Ladies' League in the city will see five new players—Mona Lykegard, Pat Smith, Marion Greenwood, Beth Sedgewick and Nellie Pavich. Rusty Thain, Jackie Budinich, Arletta Hamilton, Diane Kennedy, Lois Thompson and Lorna Howe are all that are left of last year's league-winning "Rainbirds."

'Open House' Attracts 100

The halls and classrooms at Booth School were thronged yesterday from 2 to 3:30 p.m. by one hundred visitors who took advantage of "Open House," held in connection with the observance of Education Week in the city schools.

Ushers conducted visitors about the building so that everyone was given ample opportunity to visit classrooms and see both students and teachers carrying on their normal work.

At the close of the school day tea was served to the school's guests.

PERSONALITIES TOM HOLT

TOM HOLT—Junior Council President.

Tom Holt, the new young and popular Junior Council President, is quickly proving to be both a hard-working and capable leader.

He was largely responsible for the fine manner in which the arrangements for the Junior High Party were so successfully carried out.

This is not his first year on the Student's Council for he was a Grade 8 class president last year.

Tom was born in Urma, Alberta, and entered Grade 3 at Borden Street School when he first came to Prince Rupert.

He has shown himself to be both a good athlete and a good student. Tom plays on one of the local junior basketball teams and received first class honors in the recent term examinations.

House Sports Are Organized

At a meeting of the sports representatives of the four houses, it was decided that the main sports for inter-house competition during the winter would be volleyball and Borden Ball.

Borden Ball was developed during the war by a Y.M.C.A. supervisor at Camp Borden and is played on the rule of three.

A player cannot hold the ball more than three seconds, cannot take more than three steps and cannot approach nearer than three feet to a player with the ball.

At the end of the playing field there is a hockey goal post. Since the game, which is played with a rugby ball, requires no great technical knowledge, it should be an excellent sport for all to enjoy.

Of course, during good weather soccer will be played outside as part of the inter-house sport.

HOW CAN I ??? By ANNE ASHLEY

Q. How can I remove grease stains from delicate fabrics? A. Touch the spots with chloroform or ether. Then rub with dry cloth until the spot is perfectly dry. Use caution when handling chloroform or ether.

Q. How can I clean silver purses? A. One of the best ways is to remove the lining, wash the purse in hot soapsuds, rub with any good silver polish, and then polish with chamols.

Q. How can I cool a dish of hot food quickly? A. Place it in a pan of cold salt water.

Student Voices MIDGET JOE

In the train opposite me sat the oddest-looking man I have ever seen. He was so small he could pass for ten years but his head was big and old-looking for his small body.

He was dressed in a blue suit, a black bow tie, and a white starched collar that covered his neck right up to his chin.

Judging by his face I'd say he was at least thirty-two. His mouth was as wide as any I have ever seen and his eyes were large and brown.

He blinked continually in a most unnatural way. It looked as though he was blinking or winking on purpose. His nose was small like that of a baby's and every once in a while he would rub it as if he were thinking.

I sat there wondering what this man did for a living. Maybe he crawled in the small parts of an airplane like I've seen midgets do in pictures during the war but if he did that he would surely be out of a job now.

During the whole ride I kept wondering what this little fellow did for a livelihood now.

When the train finally stopped, he took his suitcase from under his seat. It was then that I noticed the writing on it—"Midget Joe, Central Circus." Class 8B, Age 13.
