On the flight yesterday was T. Bain, director of engineering and maintenance, T. .A., Montreal; Pilot B. A. Rawdirector of flight development, T.C.A., Winnipeg; Co-Pilot W. Seagrim, director of flight operations, T.C.A., Winnipeg.

Mr. Howe and Mr. Symington, 10 years ago, flew on the first dawn to dusk Canadian transcontinental flight, piloted by J. H. Tudhope, now general manager, operation, T.C.A., Winnipeg. The 1937 flight was made in a small 10-seater Electra. It marked, however, the operational beginnings of Trans-Canada Air Lines, which today serves six countries and some 40 cities.

HIGHLIGHTS OF FLIGHT

Highlights of yesterday's flight Star plane "because it was flywere: miles flown, 2,345; speed, ing too fast and too high." 342 miles per hour; altitude, (average) 20,000 feet above sea

The North Star flew from the Pacific Coast at Vancouver to Come in and Lethbridge of the western edge of the prairies, crossing the Rockies enroute, in one hour, 31 minutes. It was over Regina in two hours, 35 minutes; Winnipeg in three hours, 35 minutes; North Bay, Ont., in six hours flat; Ottawa in six hours, 30 minutes, and landed in Montreal in six hours, 52 minutes.

GREETINGS TO MOOSE JAW

When approaching Moose Jaw, the Minister of Reconstruction, Mr. Howe, sent by voice radio this message of congratulations to that city on the opening of Moose Jaw's new airport: "As we speed across the prairies at 375 miles an hour in this great Mark II North Star aircraft, I cannot help but be impressed with the great strides we have made in avition within our Dominion in the last few years. I am sorry that time does not permit me to visit you on this occasion of the opening of your new air-

Mr. Howe received a reply, thanking him warmly and stating that the population of Moose Jaw missed seeing the North

Career of Jerome Kern Inspiration of "Till the Clouds Roll By"

Based on the life and works of the great composer of popular and semi-classical music, Jerome Kern, the technicolor production "Till the Clouds Roll By" comes as an outstanding feature offering to the screen of the Capitol Theatre here this Thursday, Friday and Saturday. Through the tender story of the life and career of the man is woven the genius of Kern, the musician, with his favorite tunes etched in color on the screen T. H. "This family's always in HOT WATER!"

. . . hot water all day long: for shaving and bathing, for laundering and cleaning, for dishwashing and the numerous other needs of any modern family. A thermostatically controlled heater maintains a tankful of hot water constantly, so that hot water is always available at the turn of the faucet.
