## Timely Topics from Terrace

Loyal Harrison suffered slight injuries necessitating medical attention, when the car in which he was riding on Friday morning on the Kalum Road was side-swiped by a logging truck on a very narrow part of the road-way near Deep Creek. Damage to the car was extensive.

Thomas Marshall of Hazelton was in town Thursday for a school board meeting and left on Friday's train.

Terrace village voters will go to the polls on Thursday to elect one commissioner to replace the retiring Commissioner H. H. Oliver. Nominations were received up to 2 p.m. today.

District School Inspector Lev-

irs was in town for the school board meeting on Thursday, returning to his home in Telkwa on Friday.

Mrs. Ed. Carl was slightly burned in the face when the generator of her gas lamp broke and the lamp exploded. Fortunately no further damage was done.

Sgt. and Mrs. T. D. Brunton and son left Terrace on Wednesday's train for their new home in Smithers.

Miss Janet Wade and Miss Barbara Wallace of the local hospital staff, left on Wednesday's train for Vancouver. Early in the New Year Miss Wallace will return to the north to take up a teaching position near Burns Lake.

fords, whose son Roy is still in hospital.

As the P.T.A. have been asked this year again to fill the bags with fruit and candy for the Community Christmas Tree, the same committee will carry on this year. The supplies will be sent to the Civic Centre and members are to meet in the clubroom there on Thursday evening previous to Christmas to fill the bags, as the Christmas Tree will be held in the Civic Centre on December 19.

The meeting decided that President Mrs. C. R. de Kergom-maux convene a dramatics committee and that all arrangements for the production of a play early in the season be left in her hands.

Mrs. G. Haugland was appointed publicity convenor on the resignation of Mrs. Phipps from that office.

The hot lunch program was very successful, with the parents co-operating wholeheartedly with the committee in the serving of the soup. A few difficulties had crept in, but they were quickly and satisfactorily cleared up and there seemed to be no reason why hot lunches cannot be served over the winter months.

Miss Eena Roosen, ways and means convenor, announced that contests had been started in four of the stores in town and these will close on December 20. Refreshments were served at the close of the meeting.

## FAREWELLED AT TERRACE

TERRACE—In congratulating Sgt. T. D. Brunton on his promotion to the district of Smithers where he will have five constables under him and, at the same time expressing regret at his departure from Terrace, Commissioner Emil Haugland voiced the sentiments of the Terrace people at a farewell party given for the Sgt. and Mrs. Brunton and son Tom last Tuesday evening in the Oddfellows' Hall.

A handsome dressing case was presented to Sgt. Brunton by the Commissioner with a few well chosen words, and, to Mrs. Brunton, Mrs. Emil Haugland

presented a plastic handbag. Miss Helen Somerville, as manager of Teen Town, also had a gift for the Sergeant and his wife and for Tom.

There was a good turnout of friends and well wishers and the evening was spent in playing games under the direction of Rev. Roland Hills. Community singing was led by Mr. B. A. Barr at the piano with Mr. Baker playing the violin. Refreshments were served and a large cake, inscribed with "Goodbye, Sgt. and Mrs. Brunton" was cut by the guests of honor.

The Sergeant thanked everyone for their gifts and good wishes and the party closed with "For He's a Jolly Good Fellow" and "Auld Lang Syne."

Convening the party were Mrs. J. McLeod and Mrs. Haaland.
