He assumed command of the local Reserve division on its formation more than a year ago.

Commander Stuart's promotion was announced simultaneously with that of 16 other senior officers, 11 of which are in the permanent force and five in the Reserve. Three of the officers received actual promotions while 13 are confirmed in ranks in which they have been acting for a year or more.

BIG YEAR FOR ROYAL BANK

MONTREAL 31—Profits amounting to \$8,724,519 were reported today by the Royal Bank of Canada in its annual statement for the 12 months ended November 29, 1947. The figure represented an increase of \$1,718,133 over 1946.

After deductions for Dominion and Provincial government taxes and depreciation of bank premises the net profit was \$4,981,832 compared with \$4,920,895 in 1946.

From this figure dividends amounting to \$2,975,000 were paid and \$2,966,832 was carried forward to surplus, which stands at \$3,474,246.

The bank said the balance sheet "clearly reflected" the increased momentum of Canadian business activity during the 12-month period. Public deposits rose to \$1,845,205,533—almost double the volume of five years ago and an increase for the year of more than \$33,000,000. Dominion and Provincial government deposits declined \$42,573,092.

Q. If a man is sitting down in some public place and a strange woman addresses some remark to him, is it necessary for him to rise?

A. Yes, unless the woman is also sitting.
