VICTORIA —Premier Johnson said Saturday the 21-day tie-up of the lumber industry is "illegal" and called down those who are condoning strike. He also rapped CCF leader Winch for suggesting that he, as premier, mediate the strike.
"Winch should know better than make such suggestion," Johnson said.
"As law-maker of this province and leader of a responsible party, (Winch) should realize that to mediate would be to condone an illegal strike and since both he and I were law-makers in this province we should be the last to condone breaking or flaunting our laws," Johnson said.

COLD CURRENT
The Labrador current makes Canada's maritime provinces slightly colder than corresponding areas in western Europe.

FAMOUS GROUPS
The historic merchants' guilds of England derived the name from the Saxon gold or geld, meaning payment.

The impact sheared off the right front side of the bus and hurled the truck and its 10-ton load 78 feet. (CP PHOTO)

BLACKWOOD on Bridge

By EASLEY BLACKWOOD

Safety Play Often Can Be Substituted
Mr. Muzzy won the opening diamond lead with the queen and promptly led a small club and put in dummy's ten. He was elated when the ten held. "Throw the play over here, partner," he said proudly.
Mr. Heinsite was not amused. Sometimes it appears that he hates to see his partner make a winning play as it leaves him nothing to talk about after the hand.
At trick three Mr. Muzzy cashed the ace of clubs and led another one. After this there was no way to keep him from making his bid.
"Well, how did I look on that one?" he asked smiling.
"In a word, terrible," replied Mr. Heinsite.
"What do you mean? I made it, didn't I?"
"You should have safely-played the clubs," said Mr. Heinsite. "Suppose Abel's singleton had been the jack. Then you would not have won three club tricks. You might have made the contract by going after some other suit, but you wouldn't have made it in clubs."
"How many tricks would I have made, playing it your way?" asked Mr. Muzzy.
Mr. Heinsite ignored this, as the answer was nine, the same as Mr. Muzzy actually made. "The standard safety play with this combination of cards," he continued, "is to cash the ace first, then go to your hand and lead a small one toward the ten."
"That way you win three club tricks against any division of the suit, provided it's not worse than 4-1. This is the standard safety play with this combination of cards."
"You said that," continued Mr. Muzzy.
"All right!" barked Mr. Heinsite. "The point is, do you understand it?"
"Yes, I've got it now," Mr. Muzzy replied.
And on the very next hand (see tomorrow's column) Mr. Muzzy proved Mr. Heinsite's favorite saying that "a little learning is a dangerous thing."

Public Dinner To be Held For Minister
Hon. R. H. Winters, Federal Minister of Resources and Development, will arrive in Prince Rupert next Saturday night and will be guest of honor at a Chamber of Commerce dinner in the Canadian Legion hall on Sunday.
It will be Mr. Winters' first visit to this city.
While here he will visit the Columbia Cellulose plant on Watson Island and inspect the housing project underway here.
The Sunday dinner is open to everyone. Chamber of Commerce officials said they regretted that Sunday was the only day Mr. Winters could be in the city but hoped there would be a large attendance.
Tickets can be purchased from the Chamber secretary, Northern B.C. Power Company offices or from C of C members.
