HOW CAN I ???

By ANNE ASHLEY

Q. How can I remove grease spots from paper?
A. Lay a piece of blotting paper over the spot and press with a warm iron. If it doesn't remove it, cover quickly with chalk, or fuller's earth, and let stand for 24 hours. Repeat, if necessary.

Q. How can I keep brown sugar from lumping?
A. Keep the brown sugar in an open jar in the refrigerator and it will become and remain soft and free from lumps.

Q. How can I get rid of crickets?
A. Put cucumber peelings, cut in thin strips, on the floor at night near their haunts.

Q. How can I save sugar when sweetening acid fruits?
A. When sweetening acid fruits, such as gooseberries, use one-half teaspoon of soda to a quart of fruit, and stir before sweetening. Less sugar will be required.

Q. How can I clean gilt frames?
A. Gilt frames can be cleaned by dipping a soft cloth in milk and rubbing it gently over the soiled spots. Repeat several times, if necessary.

Q. How can I keep cheese fresh?
A. When one wishes to keep cheese fresh for a long time, cover it with a thin coating of paraffin. Before serving, remove the paraffin.

THIS AND THAT

CANADA FOR PARTITION

NEW YORK — Justice Minister Isley declared yesterday that Canada was voting for the Palestine partition because it is the best of four "unattractive and difficult alternatives, but it does so with heavy hearts and many misgivings."

Addressing the general session of the United Nations, Isley said that "no responsible delegation could do otherwise after listening to the threat of reprisal and all the talk of fire and sword which have been heard from both sides to this controversy."

He said it would be "folly" to assume that "there would be any less likelihood of disorder if any of the other alternatives to the Palestine partition were adopted."

RIDICULE ROME STRIKE REPORT

ROME — Rome newspapers, echoing last week's threat by the pro-Communist Socialist leader Pietro Nenni, forecast yesterday a general country-wide strike that will include even Italy's public services. As it did with the Nenni announcement, the Italian General Confederation of Labor, the only organization which could call such a strike in Italy, ridiculed the report.

ASK BAN ON MARGARINE

British Columbia Federation Of Agriculture Asking That It Be Retained

VANCOUVER — The British Columbia Federation of Agriculture today voiced its fear of relaxation in federal controls of the manufacture and sale of oleomargarine and adopted a resolution asking the federal government to maintain its ban on the importation of the product. Twelve thousand British Columbia farmers and their families are represented by the Federation. The representations of the Federation are being transmitted to the federal authorities by Hon. Frank Putman, provincial minister of agriculture.
