

Gyro Favors More Parks

Golf Course Included In Broad New Plan to Be Considered

Taking up the cue of the new city engineer, Charles Howe, the Prince Rupert Gyro Club, at its regular monthly business luncheon yesterday, decided to assume the leadership among local organizations in interesting itself in extension of public park development in the city—particularly the project of establishing a golf course, possibly in the Roosevelt Park area, campaign for the improvement of which is developing. The Gyro Club's president, C. G. Ham, appointed a special committee to confer with City Engineer Howe and the Parks Board. The special committee consists of W. M. Watts, G. A. Hunter, and W. J. Scott. Mr. Howe has already indicated his readiness to draw up a complete plan for submission to the public on such park development.

E. D. Forward, chairman of the club's playground committee, reported playground activities going on well with an excellent staff of instructors.

Committee for the annual Apple Day sale was named consisting of W. M. Watts, W. D. Lambie, W. J. Scott, J. T. Harvey, Robert Parker and T. H. Wilford.

For the staging of the annual Halloween hoedown a committee consisting of A. J. Dominato, George Murray, Dr. A. W. Larne, E. D. Forward, C. P. Balagno, and Robert McKay, jr., was appointed.

Allan Baker, member of the Pentiction Gyro Club, was a visitor at yesterday's luncheon.

BENSON STUDIO CHANGES HANDS

Another pioneer local business has changed hands in the purchase of the Benson Studio by A. Van Meer from R. E. Benson. Formerly with the provincial police here, Mr. Van Meer has resigned from the force and is now in possession of the business. Mr. and Mrs. Benson plan to leave Prince Rupert after disposing of their other interests here, including their building. They are pioneer residents of many years' standing and their departure will be regretted by many friends.

FINE NATIVE LEADER DIES

Chief Johnny Paul Laid at Rest in Gardner Canal Village

Amid the grand sun-bathed mountains surrounding the Gardner Canal village of Kemano, Chief John Paul, one of the most estimable of the Indian people of this part of the coast, was laid at rest last Saturday. He had expired suddenly of a heart attack while employed at the Butedale cannery. To his funeral came natives from Butedale cannery, employed there for the summer, in four large seaboats for the final rites. Rev. Peter Kelly of the United Church mission boat Thomas Crosby officiated and, paying deep tribute to deceased, described him as "one of the best disciples of goodwill" among the native peoples, having radiated this spirit throughout his life.

John Paul, who was 63 years of age, is survived by his wife and two daughters, Mrs. Guy Williams and Mrs. Ed. Smith of Kitimaat. He was an enthusiastic and active member of the Native Brotherhood of British Columbia.

QUEBEC SCOUTS ENTERTAINED

Dinner for Visiting Boys Last Night—Leaving for East After Day Here

Welcomes and appreciations were exchanged last evening in the Commodore Cafe when the Prince Rupert Boy Scouts Association tendered a delightful party to three leaders and 14 scouts from Verdun, Quebec prior to their departure by train for Jasper Park, their next stop in the course of a tour of Canada. The party, enjoying a program of entertainment and a sight-seeing during their day's stay in Prince Rupert, had spent the afternoon on a cruise which took them to the salmon cannery and reduction plant at Port Edward. Following the dinner, they were whisked away again by F. E. Anfield, president of the local Boy Scouts Association, to the museum where special interest was manifested in the Indian collection after which there was a sight-seeing drive around the city before the train left.

Brief speeches were given at the dinner by Mr. Anfield and A. Van Meer, president and vice-president respectively of the local Scout Association, and G. A. Hunter, president of the Prince Rupert Chamber of Commerce. Mayor Nora Arnold was unable to attend. Pleasure was expressed at the party having come here and bon voyage for the remainder of the trip expressed. Highlight of the program, however, was the showing of moving pictures of city and district scenes by Sgt. L. A. N. Potterton, chief of city police. Scoutmaster A. A. Smith, on behalf of the party, expressed appreciation of the fine hospitality and interesting visit in Prince Rupert.

Only two stops will be made by the party on the way home—one for three days at Camp Edith in Jasper Park and the other in Toronto.

DEER WANDER IN ROOSEVELT PARK

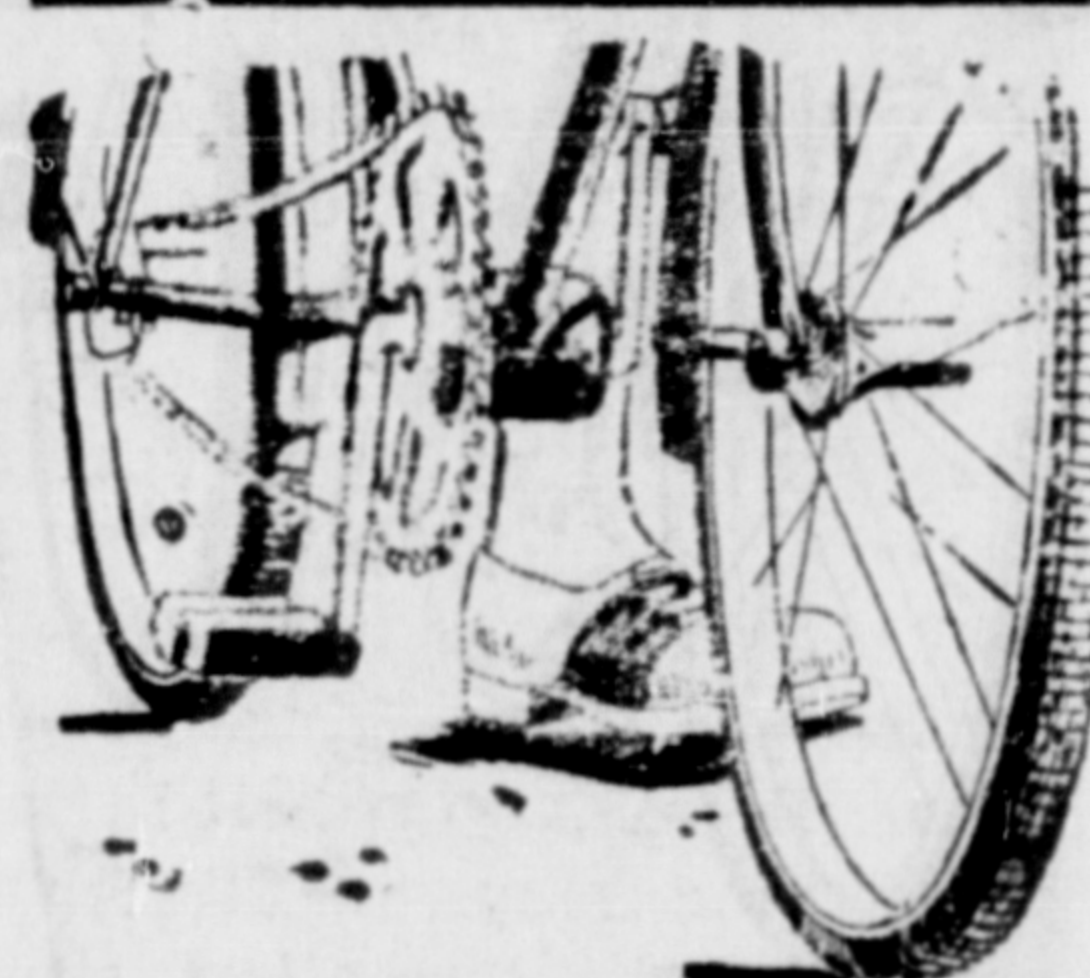

Another evidence of abundance and tameness of wild life in the district, even in the immediate proximity of the city this year, is the presence of deer just back of the Roosevelt Park ball ground. Various citizens report seeing them there of late. They wander along in the quiet of the evening or in the early morning, being seemingly quite fearless.

New Pastor Now At Port Simpson

Rev. T. W. Lawton, who came out from Toronto to assume the pastorate of Grace United Church at Port Simpson, arrived in the city at the first of this week from Vancouver, and, accompanied by Mrs. Lawton, was taken on to Simpson by the mission boat Thomas Crosby. After delivering Mr. and Mrs. Lawton, the Thomas Crosby, with her missionary skipper, Rev. Peter Kelly, was in port yesterday, leaving in the afternoon for Skeena River points enroute back to her base at Ocean Falls.

EARLY NEWS IS WELCOME

Local news items, to ensure publication, should be in the office by 10 a.m. Contributors are asked to bear this in mind. Items of social and personal interest are always welcome.

Boy with bike... full of vitality—dashing to school on errands—or just here and there! More than exercise is needed to keep him healthy. Bone and body-building need daily rations of Vitamin "C".

SUN-RYPE is Vitamin "C" Fortified. Made from fresh, ripe Okanagan Apples. Gives your boy the pep he needs. Cool, refreshing, a real between-meals treat!

Sparkling with health and goodness. That's SUN-RYPE—it's TOPS with boys!

Keep cans of SUN-RYPE handy. Children love it.

SHIPS AND WATERFRONT

Next Monday the British light cruiser Kenya of the Royal Navy's America and West Indies Squadron will arrive in Prince Rupert. The warship is making a goodwill cruise along the Pacific coast. Her skipper is Captain Lennox Boswell, D.S.O., R.N. Aboard the Kenya are four R.C.N.R. officers who joined the ship at Bermuda. They are Lt. H. D. Lloyd, Lt. G. D. Wood and Sub-Lieut. R. H. Thorlaxer of Winnipeg and Lt. D. Bethune of Hamilton, Ont.

The chief engineer of the C.P.R. steamer Princess Norah, called as a witness in an arbitration case in Vancouver recently, said that in 22 years of married life he could not claim any great proportion of credit for the raising of his family. This was because that in the 22 years mentioned, the time spent at home was not more than four years.

Up to a short time ago, the catches of tuna off the west coast of Vancouver Island continued both heavy and profitable. One school was reported as close in as 12 miles off Sidney Inlet. One skipper, Louis Hegge-land, brought in 7,238 pounds of albacore tuna, which was something he had not seen rivalled during all his lifetime on salt water.
