TERRACE

California Visitor Hostess At Terrace

TERRACE-A very entertaining afternoon was spent at the home of Mrs. Anne Kirkaldy on Wednesday when her house guest Miss Dorothy Riley, entertained a number of her friends prior to leaving for her home in Oakland, California on Thursday's train. Tea was poured by Mrs. Kirkaldy and Miss Onolee Kir-Oonolee Kirkaldy, Velma Greig, and who wanted to hear the Grace Molliter.

Mrs. Christie Being Honored At Terrace

TERRACE-Mrs. E. L. M. Giggey entertained at the luncheon hour on Tuesday in honor of her mother, Mrs. Robert Christie of Vancouver, who is visiting here Covers were laid for 10 at the Silvertip Cafe. Among those present were Mrs. Giggey, Mrs. Christie, Mrs. Will Christie, Mrs. Lorna Wrathall, Mrs. A. Brooks, Mrs. put in refrigerator to harden. Sundall, Mrs. Jim Smith, Mrs. Q. How can I remove greas. Corlett, Mrs. Dover and Mrs. stains from silk?

TERRACE HEARS ROYAL WEDDING

TERRACE—Quite a number of people in Terrace district had the pleasure of listening to the broadcast of the wedding Princess Elizabeth in the early hours of Thursday. The recepother than the passing

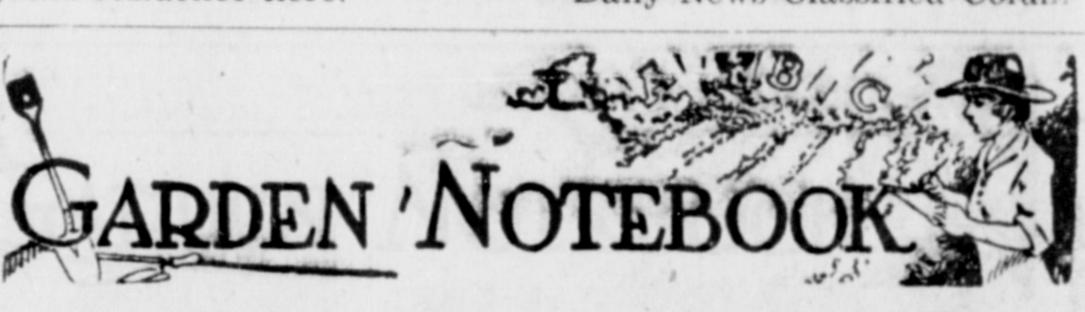

A few Terrace residents took advantage of the local telephone service to listen in on the Royal McAllister, wedding broadcast. An amplify-Barr, C. de Kergom- ing set is installed at the telemeaur, McLeed, Kirkaldy, Mills, phone office and a very obliging and the Misses West, Mary and operator left the lines open of Phyllis Little, Grace Little, El- those subscribers who have temliott and Marian Head, Jean and peramental radio sets at home iginal broadcast.

> HOW CAN I ? ?? By ANNE ASHLEY

Q. How can I economize the use of butter?

A. Bring 1/2 cupful of good milk to a boil, then set aside cool. When just lukewarm, add 1/2 pound of unmelted butter an beat with eggbeater until mix ture is thick and creamy. Then

A. By applying a mixture of Several luncheons and teas are one ounce of castile soan shred

BULBS NEED PLANT FOOD TO GROW QUALITY FLOWERS

An impression is widely held complete nutrition would insurthat bulbs which are newly Fully important as the proplanted in the fall do not need duction of a flower, is the de Acetylene Welding - Boat plant food added to the soil. It velopment of well mature Tanks - Stacks - Furnaces food stored up on their own bulbs for the following year. T tissue which may be sufficient! insure this. many gardene, to produce a flower, but this is give an additional feeding t not the whole story.

Before the flower is produced have flowered. a large number of roots are. The danger of using manure to supply the needs of the grow- dangerous and only compost ing plant. If there is a deficiency thoroughly decayed is safe to of food, the growth of the plant use. Bone meal is the tradiwill be seriously hampered. A tional bulb fertilizer but it bewill not be the vigorous, perfect do little good the first year.

tulip plantings after the bulb

formed; and these roots seek in with bulbs is well understood the soil plant food and water Any kind of fresh manure i flower may be produced, but it comes available so slowly as to blossom of normal size which Commercial bulb growers use chemical plant food dug into the soil so that it is available to the bulb roots.

When the entire bed is dug out before planting the bulbs. 4 pounds of balanced plant food should be spread over the surface; the digging will mix it thoroughly with the soil. When bulbs are planted with a trowel, a teaspoonful of plant food may be mixed with the soil at the bottom of the hole before setting the bulb.

Making Friends Wherever 9t Goes!

And what friends it makes! The sort of friends who do not give their friendship lightly . . . whose affection, respect, and loyalty can only be earned by the truly deserving . . . by a car such as Pontiac. Wherever you travel, you'll find these friends of Pontiac - owners who have experienced at first hand the thrilling power and dependable performance of the famous Pontiac L-Head engine . . . owners whose expenses have been cut amazingly by

Pontiac's low cost of operation and upkeep. Inside, outside, bumper to bumper, compare Pontiac with other cars. The truth will always out - Pontiac is the finest car in the low-price field.

The stack of orders piled up for the new Pontiac are gratifying testimonials to the quality and beauty of this finest of the famous Silver Streaks. Unfortunately, so many orders also mean that many who choose Pontiac must wait. So if your say 'Pontiac' . . . your car-wise bead and etter, safer service while present car will give erviced by your Pontiac you wait if you have
