**GENERAL MOTORS WINNERS AGAIN  
DEFEAT GORDON AND ANDERSON  
16-13 IN LEAGUE FASTBALL**

In a free-hitting game in the City Fastball League last evening before a big crowd of fans the General Motors added another victory to their long run of successes by winning from Gordon and Anderson 16-13. Poor judgment by the ironmen in the last inning was taken full advantage of by the mechanics

and a chance to tie or even win the game was nullified. Both teams went scoreless in the first inning. In the top of the second the Motormen began hitting on all six and, before they were stopped, ten batters had faced Moxley and five runs were in. Lambie was walked, Morgan singled, Bobby Smith doubled and Dominato was safe on Moxley's error and the bases were loaded. Then Moxley walked Antone. Ted Arney singled and four runs were in with none out. Pavlikis and Windle were out and then Lindsay was walked and Antone came in. Lambie up for his second time in the inning, was out, Simundson to Dell. Gordon and Anderson went out in quick order.

In the first of the third Morgan hit but the side was retired with Morgan left on third. In their half of the third the storemen came to life. Kerr singled, Duncan was safe on Antone's error, Simundson singled and Kerr scored. Three errors by different General Motors men led Duncan and Simundson score and now the storemen were only two behind.

However, in the fourth Moxley ran into more trouble. Ten players faced him and, with four hits, including a three-bagger by Pavlikis, and assisted by three errors by the hardware men, General Motors scored five runs. In the fifth they added three runs and three more in the sixth to make the score 1-3. The storemen staged a small comeback in the sixth when Moxley and Smith scored. Both teams went scoreless in the seventh although Dominato hit a double. In the eighth the Motormen failed to score and then Gordon and Anderson staged a major uprising in their half. Thirteen of their players faced Dominato before the slurge was quelled and, by then, seven runs were in. Two doubles by Dell and Moxley contributed considerably to the success.

With their margin reduced to four runs the Motormen had little to spare. Bob Smith got a good double and went to third on Dominato's single after Lambie and Morgan were out but Moxley struck out Antone without any runs coming in. The stage was now set for a last ditch rally and Dominato helped by issuing walks to Duncan and Simundson, the first two batters to face him. Then Dell hit

safely. Duncan tried to come home and was an easy out and then Dell got caught in a hot box between first and second and was out—a weak ending to a great chance. Simundson scored but Moxley struck out and the game was over.

Once again the Motormen had won through their hard hitting and their good work in the field although they counted more errors than usual, even Lindsay and Lambie missing chances. Bob Smith, with four out of six, including two doubles, was the "big stick." Dominato actually had a poorer record than Moxley. Both allowed seventeen hits. Dominato gave up five walks against Moxley's four and struck out three against Moxley's five.

Kerr with three hits in four times up, and Simundson, Kneale, and James, with two out of five, were the leading batters for the storemen.
