## STEWART NEWS

Latest from Portland Canal Mining Centre

W. H. Forrest, B.C.L.S., and his assistant T. Williams, who have been surveying at the Morris Summit Gold Mines, returned to town on August 3. It is understood they will undertake a survey of a road from the Big Misouri Mine to Tige Lake for the Provincial Government. This projected road will facilitate transportation to the Morris Summit Mine, the Silver Tip, the Unicorn and other properties in that vicinity. This road will avoid the present hazardous route over the Salmon Glacier to the Morris Summit. It is unofficially reported that the Morris Summit Mine has reached its objective in the tunnel which they were driving with excellent results.

During the week the Stewart Board of Trade held a meeting for the purpose of presenting trail data to W. D. Smith, M.L.A. for Atlin, who was present at the meeting.

Mrs. H. D. Rochfort, R.N., arrived last week to relieve her sister Mrs. J. N. Houston, R.N., matron at the Stewart General

Hospital. Mrs. Hueston is retiring from the position owing to ill health.

Games, including impromptu football and football, and races and tug-of-wars provided the sporting entertainment. Although attendance fell short of what was anticipated, the affair was enjoyable.
