Pulp Millers Down Hawks In Zaniest Game of Year

In the zaniest game of the season, running far out of control, CCC 300 last night defeated Hawks 22-16 in the City Softball League.

"Speed" Wesch was the winning pitcher in the bill which produced, among other things, a total of 38 runs, 36 hits and 23 errors. Wesch gave up six runs, while reliefer Harvey Deary allowed 10, including a five-run seventh inning.

Losing pitcher Tommy Sedgwick was booted around with 17 runs on 19 hits while brother Matty lost five runs on four hits. Kurdziey, of the Pulp Millers, picked up four hits for seven times at bat, while Finnegan, Wesch, McDade and Shamenski collected three each.

For the Hawks, Danny Larsen was the heavy hitter with a triple, a double and a single, followed by Ken Laurie who lined out two doubles and a single.

Friday night the Firemen will attempt to eject No. 1 to take over top place in the league.

Monday, the regular league game will be stopped in the seventh inning to draw a ticket on a benefit raffle, proceeds of which will go to a member of the Firemen's softball club now in hospital.

Gordon Carlson, during a game earlier in the season, broke a bone in his shoulder. Softball Association thanks Canadian General Electric Co. Ltd. and Dibb Printing for their assistance.

Olympic Entry Not Eligible

By JACK SULLIVAN
Canadian Press Staff Writer

HELSINKI (CP)—Jack Davies, assistant manager of Canada's Olympic team, has handed Jack Burney of Vancouver his walking papers and that ended the team's latest incident.

Burney—who paid $100 out of his own pocket to come here from Germany, where he is stationed with the United States Army—was told he must pay $6 a day for lodging at the Canadian camp until he leaves.

He had hoped to compete for Canada in the 400-metre hurdles and now is trying to line up transportation back to Germany. He is expected to leave in two or three days.

Burney almost broke into tears when told he was not on the team because he hadn't competed at the Olympic trials at Hamilton last week.

He said he was "bitterly disappointed and disgusted." His case was matched by the blow suffered by Canadian oarsmen and scullers.

Their boats were damaged aboard ship en route here. Officials received a radiogram from the ship saying she ran into a storm and the shells were damaged.

BOATS UNUSABLE

Canadian officials said they didn't know the extent of the damage but figured the shells won't be usable for the Olympics.

The Fours crew now is issuing a borrowed boat, but the practice is not helping them. The boat a port stroke, directly opposite the type the Canadians normally use.

There is plenty of activity around the Canadian camp in the northern section of Helsinki.

The rifle-shooting team left to compete in the world championships at Oslo. The six-metre yachting crew, under Skipper Bill Gooderham of Toronto, arrived from Stockholm after a week's sailing.

Women members of the track team were out for their first practice today and from now until the games open July 19 will be out twice a day, as will male members of the squad.

Paul Collins of Wolfville, N.S., has started serious practice for his marathon test. He said he hasn't done much since the long plane journey here. Fred Hayward of St. John's, Nfld., was out for the first time last night for a six-mile walk.

SPORTS ROUND-UP

By HAROLD CLASSEN
(For GAYLE TALBOT)

NEW YORK—They are at it again—those fellows who must argue sports questions to which there are no precise answers. This time the debate revolves around young Bob Mathias and the ancient Jim Thorpe. Which is the greater athlete?

Four years ago at London, Mathias, only 17 and a high school athlete, won the Olympic decathlon title. In doing it he bettered five marks Thorpe hung up in winning the event in 1912 and tied the Indian in a sixth. Thorpe was 24 at the time.

Last week Mathias, now a growing 21, won the Olympic decathlon tryouts again. This time he surpassed the Indian's marks in nine events—and compiled so many points he broke the United States record even before toeing the mark in the tenth.

Here are Thorpe's 1912 Olympic marks and Mathias' 1952 tryout figures:

	Thorpe	Mathias
100 metres	:11.2	:10.8
Broad jump	22' 2.3"	23' 5.25"
Shot put	45' 5.45"	49' 10 7/8"
400 metres	:52.2	:50.8
High jump	6' 1.6"	6' 2 3/4"
Discus	121' 3.9"	157' 11 5/8"
Pole vault	10' 9.95"	12' 3 3/4"
Javelin throw	149' 11.2"	193' 10 3/8"
1,500 metres	4:40.1	4.55.3
110-metre hurdles	:15.6	:14.6

At the Tulare trials Mathias piled up 7,825 points, wiping out his own national mark of 7,444 points.

Dan Ferris, National A.A.U. secretary-treasurer who saw Thorpe at Stockholm and will see Mathias at Helsinki, says "You'd have to say Mathias was the better allround decathlon man because of his record. But with modern training Thorpe probably would have been as good."

When it comes to other sports, you probably must give Thorpe the edge.

Old Jim, Versatile Athlete

Old Jim, whose Olympic achievements were erased because he had professionalized himself by playing pro ball before going to Sweden, was an outstanding football player, reached the Major League in baseball and excelled in basketball, lacrosse, tennis, handball, hockey, swimming and wrestling.

It was Thorpe who broke up a Major League double no-hit game between Cincinnati and Chicago's Cubs in 1917 by beating out a bunt that scored the decisive run in the tenth.

But Mathias isn't a slouch in other sports either. In high school he was a track and football wonder and starred as well at basketball.

It was Mathias, now 6-2 and 200 pounds, who went 96 yards with a kickoff return against Southern California last fall for a touchdown that helped put Stanford in the Rose Bowl against Illinois.

The July 19-Aug. 3 Games will be Mathias' last appearances as a decathlon athlete, he has said. Next Fall, for the first time, he is going to give his full attention to football with the hope it will get him some pro offers.
