MAYOR'S FUND NOW AT $180

Donations to the Mayor's fund to send food parcels to Britain as a wedding gift for Princess Elizabeth have now reached $180, Mayor Arnold said this morning. The fund will be used in co-operation with the Rotary Club drive for food and clothing to send to the people of Poole, England. The shipments will be sent early in the new year.

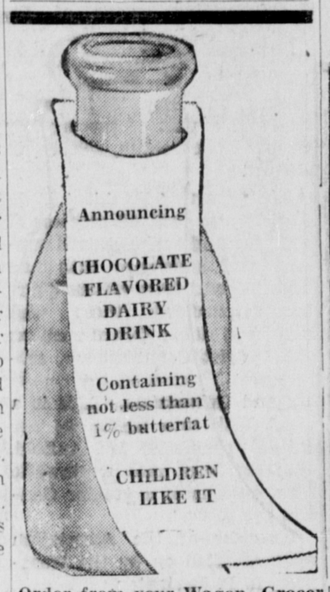

Money donated to the Mayor's fund will be used to purchase canned Skeena River salmon which will be specially labelled before shipment. The labels will tell the people of Poole the nature of the gift.

Donations already acknowledged totalled $115 of which $100 was contributed by the city. The latest donations included $50 from the Canadian Legion, $10 from the Women's Canadian Club and $5 from Alderman A. S. Nickerson.

Legion Christmas Tree Is Planned

The Canadian Legion, in co-operation with the Women's Auxiliary of that organization, is busy making arrangements for the Legion's annual Christmas tree which will take place on December 20. It is expected that upwards of 250 children of war veterans will attend the annual party and receive presents from the tree. As many of these children are accompanied by their parents, it was found last year that the Legion Hall was far too small to accommodate the crowd in comfort and this year, with the kind permission of the Commanding Officer, H.M.C.S. Chatham, the Drill Hall has been placed at the Legion's disposal. War veterans' children, 12 years of age and under, are eligible to attend this event.

Mrs. Harry Sheardown returned to the city this morning on the Camosun from a trip to Vancouver.
