

Bomber Crashes On Plane Search Seven Saved By Para-Rescue Unit; Suffer Burns

By The Canadian Press
EDMONTON.—A United States Air Force B-17 bomber crashed Friday in a remote area near the Yukon-Alaska border.

Broken Leg Doesn't Stop Rodeo Fan

GOSSNEL.—Compound fracture of the leg didn't keep Thompson of Blackwater from seeing his sons ride in the Anahim Stampede.

During a 40-mile trip to Anahim, Thompson's horse lost its footing and fell, pinning the rider's leg under the saddle. Thompson set the shattered bones together and his two sons rigged a crude splint from a horse's can.

He was placed in a wagon and for 24 hours was carried across swamps and along rocky trails.

When the three got to Anahim, Thompson sat on an improvised stretcher to watch his sons in the stampede. Then he was flown to Kamloops for treatment of a compound fracture.

Area 3 Fishing Ends Tonight

With halibut fishing in Area 3, major grounds off Alaska, coming to a close at midnight tonight, most large boats are heading for their home ports although a big fleet is expected to dock here over the week-end.

Only a small number fish for salmon in the southern Hecate area—known as Area 2B—which does not open until July 23.

Here are today's sales on the coast:

American
Platinum \$2,000, 20, 20, 16, B.C. Packers: June, 27,000, 20, 20, 16, B.C. Packers.

Canadian
Capella 1, 7,000, 20, 19, 16, Royal: Hopewell, 18,000, 20, 19, 16, Royal: Ocean Pride, 72,000, 20, 19, 16, Atlin.
Sold to Co-op: Parma, 54,000.

BULLETINS

Survivors Rescued

RIO DE JANEIRO (CP)—A minesweeper today picked up 20 survivors of a Brazilian DC-3 which crashed into the sea last night. Five persons are dead and three missing. Plane carried 26 passengers.

Vampire Jets Collide

LONDON (CP)—Two Vampire jet fighters collided in mid-air over RAF station East England today and crashed in flames. Both pilots were killed.

2,000 Dead in Raid

TOKYO.—Communist Pyongyang radio said today the UN record air strike against the North Korean capital Friday left in its wake 2000 dead, 4000 injured and 250 missing.

British Cheer Republican Choice

Eisenhower Seeks Wholehearted Support

CHICAGO.—General Eisenhower, pledged to a fighting campaign against the Truman administration, today sought to line up the wholehearted Republican support of the party's 1952 presidential nominee.

Moving to wipe out the bitterness which split the party in his successful battle against Senator Robert A. Taft for nomination, Eisenhower arranged a post-nomination meeting today with all available Republican members of Congress.

The General went before the joint session of the convention last night and formally accepted the nomination. He called for a Republican crusade aimed at wiping out an "administration which has fastened on every one of its wastefulness, arrogance

and corruption in high places." After five days of feuding among themselves, the delegates gave Eisenhower a roaring welcome.

From London comes the report that most of west European newspapers heaved sighs of relief that Eisenhower—the American they know best—won the Republican nomination, Communists, as usual dissented.

The government and diplomatic offices, however, there was discreet, tactful silence. Officials declined to comment for fear of being accused of meddling in United States domestic affairs.

A British foreign office spokesman limited his remarks to the statement: "Eisenhower is very

much admired and respected over here."

Most newspapers happily assumed that the Republicans' choice meant that regardless of the outcome of the November presidential election, Europe would be assured against Communism.

Meanwhile, in Washington President Truman was represented today as determined to insist on fighting a campaign on an all-out "fair deal" platform as the best hope of a democratic victory over General Eisenhower in November.

A long-time associate said Truman will oppose any "watering-down" of foreign and domestic proposals for which he has campaigned since he entered the White House.

Truman has said he will not be a candidate.

Eisenhower's young running mate says that the fight against Communism will be a "great issue" of the presidential campaign.

Senator Richard M. Nixon of California said:

"It's an issue the Democrats are stuck with."

The 39-year-old candidate for vice-president, still tingling over his nomination, told a press conference last night that the administration has failed to halt Communist aggression.

SO LONG OLD PAL!—Joe Bardgett of Cremona, Alta., bids a reluctant and awkward farewell to his mount, Fitcher Creek, in the novice bronk-riding contest at the Calgary Stampede. The outlaw horse bounced Joe on the fourth buck and the camera caught the would-be rider heading for the dust. (CP Photo)

Superforts Bomb Korean City In Biggest Air Blow of War

SEOUL (CP)—B-29 Superfortresses took over at dusk Friday to make an around-the-clock bombing of Communist installations in the North Korean capital the greatest Allied air blow of the war.

Sixty-five Superforts followed waves of fast United Nations fighter-bombers which left Pyongyang, the capital, and its environs in flames during the day-long raids.

More than 1400 tons of bombs were loosed on the rubble area in a record of 1254 individual flights.

Patricia Findlay, one of 16 persons arrested since the police started an investigation of teenage drug addicts, admitted supplying narcotics to a 17-year-old boy, with whom she lived in a downtown rooming house. Federal prosecutors will handle prosecutions in the other 15 cases.

Eight Killed in Three-way Crash

YAKIMA.—Two automobiles and a gasoline truck rammed together in a ball of fire and tangled wreckage yesterday, killing eight persons, six of them of one family.

Five of the victims are children of Mr. and Mrs. Lee Johnson, of nearby Selah. Mrs. Johnson, 38, the truck driver, and the second automobile driver were other victims. Johnson and another of his children are in critical condition from burns and injuries.

Volcano in Aleutians Glows Red

KODIAK, Alaska.—Mount Shishaldin on Unimak Island has been glowing red for the past week, coast guard reported Friday.

Northwest Airlines pilot, Fred Zimmerly, reported smoke pouring out of the Shishaldin crater and flames licking 200 to 300 feet in the air. Unimak is the first island of the Aleutian chain, just west of Alaska peninsula's tip.

18-Year Record Smashed By Current Hot Weather

Mercury Zooms to 90-Mark In Downtown Prince Rupert

An 18-year-old record was smashed here Friday when a heat wave struck Prince Rupert and pushed the mercury to an official high of 86.8 degrees.

New Effort To End US Steel Strike

PITTSBURGH (CP)—Philip Murray, president of the United Steelworkers (CIO), plans another meeting today with industry officials in an effort to end the country-wide steel strike.

There was speculation that industry might come up with a new offer, but neither Murray nor company negotiators had any report of progress as they ended two days of secret conferences yesterday.

The six-weeks-long strike has made idle close to 1,200,000 workers. In addition to 600,000 ideal steelworkers nearly 600,000 employees of allied industries have been laid off.

The auto industry has been hit hardest. By Monday nearly 300,000 auto workers will be idle. Ford Motor Co. alone has laid off nearly 72,000 workers.

Dramatic Rescue Bid at Sea Ends in Death of Stricken Man

SAN FRANCISCO.—A dramatic sea and air race to save the life of a seaman stricken with polio on a Coast Guard cutter ended in death today.

The Coast Guard reported Frank A. Ashenden, 22, of Van Nuys, California died two hours after a plane from San Francisco raced 1,400 miles and successfully dropped an iron lung to the cutter Finch.

The youth was stricken early yesterday. Ashenden was kept alive by the crew, which worked in shifts pumping oxygen into the rigid body.

Speedy Conciliation Forecast In Rail Union Wage Dispute

OTTAWA.—Federal conciliation machinery will swing into action with record speed in the huge rail wage dispute.

The Labor Department conciliator probably will be appointed Saturday. Informants said shortly after railroads and unions announced they could not agree on new contract terms and asked the department for help.

The request for conciliation came a week after railways received wage demands of an estimated \$150,000,000 a year for more than 125,000 non-operating employees, and only four days after negotiations opened.

The move into conciliation from straight company-union negotiations underlined previously-expressed union declarations

that labor groups would press for a prompt clean-up of the issue. The last dispute dragged out for about 1½ years before ending in the 1950 general rail strike and subsequent compulsory arbitration.

New Drought Threat From Heat Wave

VANCOUVER.—Shrivelling spectre of drought hovers in the heat haze over British Columbia today—the 13th consecutive day without rain, but still a long way from the rainless stretch of 98 days last summer.

The drought last year cost B.C. about \$50,000,000 in lost wages and woods production.

The dry spell threatened the water supply of Duncan, a community of 3,000 on Vancouver Island. Bans went into effect in Vancouver on lawn sprinkling and burning of rubbish. Two areas of Vancouver Island forests were closed to travel last year. All B.C. forests were closed for 70 days.

The weatherman could promise no relief as the temperature at Lytton in the Fraser Canyon continued near the 100 mark for the seventh day in a row.

Baseball Game, Softball Sunday

Sunday afternoon Gordon & Anderson will meet Commercial Hotel in a regular scheduled game of the City Baseball League. In the evening, softball will feature CCC 300 vs. Firemen at Gyro Park.

WHOLE CONTINENT SEPARATES FAMILY OF CENTRAL B.C. PUPS

FRANCOIS LAKE—Puppies from the Minsmere Kennels here are travelling far and wide. Two cocker spaniels are enroute by train today to Placentia Bay, Newfoundland to their new home and two other puppies from the same litter were shipped recently to Prince Rupert.

The Newfoundland-bound puppies should reach their new home Monday.

Social Credit Nears B.C. Election Victory Winning Seat Leads By 7000

By The Canadian Press
VANCOUVER.—The Social Credit party is only hours away from final victory in British Columbia's June 12 general election.

Socreds and CCF each had taken 18 seats and Mrs. Tillie Rolston, Social Credit candidate in Vancouver-Point Grey's third seat, appeared a shoo-in for her party's vital 19th seat.

Public Dinner Site Moved to Broadway Cafe

The Chamber of Commerce dinner for Hon. Herbert H. Winters, federal Minister of Resources and Development, has been changed from the Canadian Legion to the Broadway Cafe.

This was announced at noon today by Norton Youngs, president of the Chamber.

E. T. Applewhite, Liberal MP for Skeena, has gone to Terrace to meet the minister. They will motor to this city tonight. The dinner is scheduled for 7 p.m.

Canada to Aid Ceylon Fisheries

COLOMBO, Ceylon.—Canada will provide \$1,000,000 to help Ceylon develop her fisheries under an agreement signed here yesterday under the Colombo Plan for development of south-east Asia.

The agreement provides also that Canada assist Ceylon in development of villages for settling thousands of families and for providing electricity to the Galoya Valley in East Ceylon, where United States engineers are now completing a huge multipurpose dam.

Where goods supplied by Canada under the agreement are sold by Ceylon to the public, Ceylon promises to set up counterpart funds equivalent to Canadian expenditure on items sold.

When counting of alternative choices, started July 3, ended last night, this was standing:

Elected—SC 18, CCF 18, Lib. 6, PC 4, Lab. 1.

Leading—SC 1.

Total 48.

One outstanding seat, in which Mrs. Rolston now leads her closest opponent by more than 7000 votes, is expected to be finally decided today to wind up the marathon race.

Five seats were settled Friday. In Vancouver Centre, Mrs. Laura Jamieson, of the CCF, defeated Attorney General Gordon Wismer with a majority of 1396 votes.

Mrs. Jamieson was the second woman elected out of 3 who entered the race. Other is Mrs. Nancy Hodges, speaker in the last Legislature, and the third will in all likelihood be Mrs. Rolston.

Social Credit snatched both Vancouver-Burrard seats from the CCF after Socialists had led on the first count, CCF will ask for recount in the second seat, where Social Credit won by 246 votes.

The alternative voting system upset the final result in seven seats from what they would have been under the previous "X" system. Of these seven, Social Credit won five, taking both Burrard seats and Similkameen from the CCF and Yale and Fort George from the Liberals.

CCF took Premier Byron Johnson's New Westminster seat on a further count and Progressive Conservative upset CCF in Nanaimo. If the "X" system had been used, CCF would have formed the next government with 21 seats with Social Credit the official opposition with 14.

July 21 Deadline For Entries in Labor Day Soap Box Derby Event

The racing car and driver for the annual Labor Day Soap Box Derby here must not exceed 250 pounds and all cars must be equipped with 19-inch wheels.

These are two of the rules laid down by the International Soap Box Derby Association and apply to all boys entering the race being sponsored here by the Trades and Labor Council, Frizzell Motor Products, representative of General Motors, and The Daily News.

Ten sets of regulation wheels have been ordered and will be here shortly.

Meanwhile Granby (Red) Watmough, chairman of the derby committee, has set July 21 as the deadline for entries.

Two entries have been received so far from locals in the TLC. They are from the International Brotherhood of Electrical Workers, local 344, and the Engineers International Union.

At least 10 boys are expected to be sponsored in the event, held in conjunction with the TLC's annual sports day.

The race will be held on Second Avenue, starting at North Star Bottling Works and ending at the Civic Centre.

Six cars were entered in the derby here last year and boys wanting to enter should speak up fast so they can get instructions on building their cars.

Northwest Construction Company has donated some material and an instructor from Frizzell Motors will advise any of the boys who need assistance.

Boys taking part in this derby will be able to perfect any faults during the winter in preparation for the B.C. Soap Box Derby, held annually at Mission, B.C.

It doesn't cost very much to sponsor a boy, so let's get entries in quickly so officials can plan the big race.

Remember—July 21 is the deadline.
