Many Matters Discussed at Monthly Meeting

The regular monthly meeting of the Canadian Legion Women's Auxiliary, was held Thursday night at the club rooms, the president, Mrs. J. S. Black was in the chair.

Mrs. Edith Bridden was received into membership. Plans were made for the forthcoming visit of the provincial executive secretary Robert Nicol, in September.

Mrs. G. V. Hanley reported visiting the Miller Bay Hospital and taking gifts to the children patients there. Mrs. W. J. Lineham reported visiting the Pioneers' Home also taking comforts for the men. Mrs. Lineham remarked on the improvement of the new home over the previous buildings.

The subject of the fall bazaar was discussed and Mrs. W. Wallace, convener, distributed wool for the members to knit. A show-

er of donations of aprons, knitted goods, etc. is to be received from the members from now until the bazaar. Due to a change in the plans for "Legion Week," it was decided more suitable to hold the sale on November 10.

Mrs. Grace Gillis was placed on the welfare committee in the absence of Mrs. B. Bouzek. Several welfare cases were discussed. Mrs. J. S. Black reported having escorted Mr. and Mrs. Dyke, the latter of Gordon House Auxiliary No. 187, Vancouver, on a tour of the city during their short stay between boats.

It was agreed that a monthly cheque be sent the provincial secretary to be spent on comforts for patients at the Shaughnessy Military Hospital and Tranquille Sanitarium.

A. J. Croxford donated two gavels to the Auxiliary.

Mrs. W. Rothwell reported the committees picked for the help at the refreshment booth at the Carnival.

Mrs. J. Taylor donated a Union Jack to the Auxiliary and received a vote of thanks.

Mrs. W. Murdoch was winner in the raffle of a tablecloth.

**SHIPS AND WATERFRONT**

The fish packer Sidney of Ketchikan arrived in port yesterday morning at 1:45 with two cars of frozen fish and one of canned salmon for transshipment as well as a shipment of viscera for the local firm of Carlson & Co.

C.P.R. steamer Princess Louise, with Capt. Peter Leslie in command, docked at 10:30 yesterday morning and sailed at 12:40 for Alaska.

Capt. Ernest Sheppard of the Catala brought his ship into port at 9:30 yesterday morning and sailed again for the Skeena River and other points enroute to Vancouver.

When Capt. Lorne Godfrey arrived with the Cassiar from the south ports of Queen Charlotte Islands at 11 o'clock yesterday the C.N.R. docks were so crowded with shipping that he had to keep his ship out in the stream until the Louise pulled out.

The Camosun was the third Union boat to dock at Prince Rupert, arriving at 4 p.m. With a large number of passengers aboard who are making the round trip she sailed again at midnight for Ketchikan.

The Cassiar is still carrying regular shipments of soap-

num moss from the North wood Products Ltd. who have been gathering the moss near Port Clements on the Queen Charlotte Islands. Shipments have been averaging about 300 bales each trip.

With a full cargo of fish for transshipment East over Canadian National Railways, Briggs Steamship Co.'s motorship Southeastern, Capt. Casey Moran, arrived yesterday morning from Ketchikan and other southeastern Alaska points and will sail tonight on her return north. She is picking up a quantity of cargo originating in the Middle West and destined for southeastern Alaska points. Coming in with the Southeastern on this voyage is the head of the company, Phillip G. Briggs.

**UNUSUAL FILM IS COMING HERE**

"God of Creation" to be Presented Here

An unusual sound motion picture in which striking scenes of astronomy and natural science are combined with a theological theme will be shown in two city churches next week. The film is entitled "The God of Creation" and it will be presented by Rev. D. Fraser McRae, Moody film representative. Produced by Dr. Irwin A. Moon, the pictures have inspired unusually favorable comment and have attracted large audiences everywhere they have been shown. One of the showings here will be Thursday evening in First Baptist Church and the other Friday evening in First United Church.

In the "God of Creation" the audience takes a trip to the stars by means of color photographs through a giant 100-inch telescope of Mt. Wilson Observatory in southern California and views complex gyrations of the solar system.

Lapse-time photography is utilized to demonstrate the beauties of natural science. The illusion of flower buds developing into full-blown blossoms in a few seconds is created through this time-compressing photo technique. The metamorphosis

of a caterpillar through the various stages from worm to butterfly, and pollination of the flowers are seen on the screen in full color.

Believed to be the first of their kind are the natural color pictures of photosynthesis, the mysterious food-manufacturing process resulting from the action of sunlight on green leaves.

Through photomicrography the audience peers into the microscopic world of a drop of water and observes the complexity of tiny organisms, enlarged more than a million times.

Mrs. M. Royston, Mrs. McConville and S. Harris arrived aboard the Cassiar yesterday afternoon from Tiel.

R. Colby of the Government Travel Bureau arrived in the city on the Camosun yesterday from Vancouver and sailed on the Cassiar for Port Clements.

could your widow fill your shoes?  
Many a widow has had to take on the burden of being bread-winner as well as giving a mother's care to a growing family. Frequently, it is at the cost of her own health and ease of mind — with the children being deprived of the education and home-background they need.
