GROSSMITHS WELL RECEIVED BY CHILDREN

Annunciation School enjoyed Wednesday afternoon a visit from Dr. and Madame Leslie Grossmith of London, England.

Dr. Grossmith, a nephew of the actor, George Grossmith of Gilbert and Sullivan fame, is an artist in his own sphere, being an accomplished pianist and composer.

Yesterday's program was much appreciated by the pupils and their parents and included among other numbers, "A Concert Gallop" by Henri Kowalski, who incidentally was once the Doctor's teacher; the three movements of Beethoven's Moonlight Sonata; Annie Laurie with variations; "Victory March" composed by Dr. Grossmith himself and a scene from Dickens' "Old Curiosity Shop" in which the Doctor ably impersonated the villain Quilp.

Madame Grossmith, Paris-born, and still preserving her French accent, also entertained. Dressed in costume, she executed an original number "The Little French Soldier," which brought forth peals of laughter from her delighted audience.

Dr. and Madame Grossmith, who have entertained crowds in many parts of the Empire, even as far as India and Australia, and have crossed America four times, are now touring Canada in aid of the bombed British children.

Thirty-Five Years Ago September 24, 1912

The Anglican Synod discussed the Indian reserve question and a spirited discussion took place in which Canon O'Meara was censured for fomenting trouble in regard to policy pursued by the church in its treatment of Indians. BABY'S

UPSET STOMACH QUICKLY CORRECTED

BABY'S little "Tummy" is often easily upset. It is easily righted again, too, if you know just how to do it. Let Mrs. M. S. Alway, of London, Ont., tell you: "Baby's Own Tablets are a great help at the first sign of upset stomach, during teething time or when a cold is coming on. They work quickly yet gently to carry away poisons and promote restful comfort." And Mrs. W. B. Sharp says: "I nursed my baby shortly after being alarmed over a motor accident and her stomach became quite upset. I gave her Baby's Own Tablets and she soon stopped crying—and quieted down." Equally effective for teething, troubles, constipation, simple fever, Sweet-tasting, easily crumbed to a powder, if desired—prompt in action. No "sleepy" stuff—no dulling effect. Francois Lake News

Mr. and Mrs. Evan Nobles and family moved into the Peterson house last week.

This month's Women's Institute meeting was held in Mrs. Van Zanten's home. Letters were read from the London Hospital acknowledging parcels which members had sent each month. The need for soap and clothing and food is desperate, and it was decided to place a box in the Francois Lake store for donations towards parcels which the Women's Institute will pack and stamp. Mrs. Van Zanten offered to pack the parcel of donations taken to the meeting.

The church was filled to capacity on Sunday at the morning service. During the service the baby son of Mr. and Mrs. W. Munnery was baptized and given the name Gary William. The godparents are his aunt, Olive Munnery and Hugh Neave.

Lovely flowers were placed on the altar. The day was very warm with brilliant sunshine and the door was left wide open for all, during the service.

WHEN THESE CARS ARE EMPTY SO ARE ENGLAND'S GOLD VAULTS—England wants her industry to grind out an export surplus so her country can regain some of her dwindling gold. Industry needs coal and the miners have been on strike since Aug. 11. The strike has spread to five mines, involving some 43,000 miners. These empty coal wagons at Grimethorpe colliery are symbolic at the moment of England's financial plight.
