## 25 Years Ago

In SPORT

October 6, 1922

The Sons of Canada football team sat down to a post-season banquet with their supporters and admirers in the Elks Hall, during which the trophies they had won during the season were distributed. The Stork cup was presented by Fred Stork and the Nickerson shield by W. J. Cash.

The Daily News sports writer of the day took a look at the forthcoming basketball season and urged that it soon be "officially and actually" got under way. He saw prospects that the senior league might have difficulty in mustering players, but said that all other leagues had plenty of strength.

The New York Giants white-washed the Yankees by a score of 3-0 in the third game of the 1922 World Series. The Giants

## BRAIN TWISTERS

By Don Douglas

DO YOU REMEMBER?

Do you remember your old-time songs? See if you can complete the lines to each of the following, and be sure they are the exact words too.

1. Just a song at twilight...
2. Drink to me only with thine eyes...
3. The sun shines bright...
4. She's my sweetheart, I'm her beau...
5. O give me a home where the buffalo roam...

ANSWERS

1. When the lights are low.
2. And I will pledge with mine.
3. On the Old Kentucky Home.
4. She's my Annie, I'm her Joe.
5. Where the deer and the antelope play.

took the first game of the series 3-2, while the second game ended in a 3-3 tie when it was called by darkness.

## BED SMOKING KILLS MANY

Prince Rupert's Per Capita Fire Loss Is 54c

Prince Rupert suffered a total property loss from fire of \$7,492 in 1946, according to official figures. A further breakdown of figures puts the per capita fire loss for 1946 at \$0.54. Total fire loss for 1945 was \$113,275. Property loss for the whole Dominion amounted to nearly \$50,000,000, with 166 men, 78 women and 164 children dead as a result of fires in 1946.

Smokers' carelessness accounted for the largest percentage of fires, with defective stoves and furnaces, electric wiring and appliances, and overheated flues and chimneys following next in line.

Sparks falling on flammable roofs caused the loss of roughly 1500 homes, approximately three a day. Lightning, spontaneous ignition and incendiarism in-

creased the total by another 1600.

Smoking in bed, fire authorities claim, kills more people and causes more property loss than any other single factor. Roof fires are the chief cause of conflagrations and the greatest hazard to life because in many cases the occupants don't know the house is on fire until it is too late. This danger would be substantially reduced if homeowners would surface their roofs with fire-resistant asphalt shingles or some other fire-resistant material.

Canada's fire loss for 1946, reports the Dominion Fire Commissioner, shows an increase of 11.7 percent over the previous year. Overcrowding is one good reason for this increase, but but carelessness is still the prime fire-bug in any community and citizens everywhere are asked to make an extra effort this Fall to eliminate fire hazards in the home and help to save their property, and the lives and property of others.
