### FARMING-UP-TO-Beauty at Home DATE OBSERVED

Jarvis McLeod Tells How They Do it Now in Western States

The up-to-date farmer in the A. This removes from the state of Utah now lives in the scalp and hair any accumulation city and drives out daily to his that tends to dull the appear- ands of acres, starts up his comance of the hair, and carries this bines to harvest the grain from oil to the ends of the individual the cutting to the binding and, hairs. It prevents the hair from the day's work done with up-tofor the evening, observed Jarvis H. McLeod, local customs collector, who is home from a tour of the western states. Dry farming has revolutionized grain growing in the western states, says Mr. McLeod. While away he saw a great deal of country but there was none in his opinion to excel Prince Rupert and he says he is glad to be back.

CARBROCK, Norfolk, Eng. -Farmer Daniel Bulen went to C.S. Chatham wharf following work, as usual, on his 101st birth-

## An Announcement of Interest

Miss Margaret McLeod, optometrist of Vancouver, announces the opening of her permanent office at Manson's

CHOP SUEY

Miss McLeod graduated from the Ontario College of Optometry in 1943 and after an association with aprominent Toronto optometrical group she returned to her home province. Miss McLeod has since been associated with Dr. Harry Perrin, optometrist in Van-

CHOW MEIN

She is well trained in the practise of Optometry and has had considerable experience. She is of a family prominent in optometry in B.C. many years.

Her father, Mr. Murdock McLeod, has an extensive practise throughout B.C. and her brother, Clyde, is a prominent optometrist in Penticton, B.C. Miss McLeod has installed the most modern equipment for the examination of eyes and a conscientious service will be given.
