TERRACE CIVIC CENTRE ACTIVE

TERRACE—At a meeting of the executive of the Civic Centre Association held on Monday at a luncheon, it was announced by the president that the bank loan of $2,000 had been approved and immediate plans of improvement at the Civic Centre could now be carried out.

The motor for one of the furnaces was ready to be installed and a second motor for the other furnace had been purchased so that the whole building could be heated on special occasions. In the meantime however, the bowling alleys, badminton courts club room and wash rooms are being satisfactorily heated by oil heaters.

On recommendation of Director Alf Yoxall, 36 pairs of bowling shoes are to be purchased for renting to the patrons of the bowling alleys, as the floors are being damaged by the heavy shoes of some of the bowlers. A strict rule will be enforced, that no one can go on the Alleys without the proper shoes.

Mr. Yoxall asked for leave of absence from December 20th to January 4 and, if it is decided to keep the Centre open while he is away, he will provide a substitute director.

It is hoped that the membership roles will be increased as Director Alf Yoxall has prepared a good program of sports has recreations for the winter for which many supporters are needed. The organizations in town are being asked to pay their membership dues as quickly as possible, as, up to date, not one has done so. Before the meeting broke up, Mr. Little announced that donations of used furniture are being asked for the club room. A general meeting will be called in the near future.

C.C.F. LEADER AT TERRACE

TERRACE—There was a large crowd at the Terrace Theatre on Sunday evening to hear an address by Mr. M. J. Coldwell, National Leader of the C.C.F. party With Mr. Coldwell on the platform were W. H. Brett, M.L.A. for Prince Rupert, H. G. Archibald, M.P. for Skeena and Floyd Frank who introduced each speaker to the audience.

Mr. Brett and Mr. Archibald spoke very briefly but Mr. Coldwell kept the interest of his listeners for an hour and a half after which he answered questions asked of him.

The theme of Mr. Coldwell's speech was the opportunities for young men in the country as well as for those brought into the country. He spoke of the emigration of young immigrants to the United States where the prospects are brighter. He deplored the exploitation of the natural resources of the country and declared that there would be no peace in a world where sections of the people were underfed and starving.

Mr. Coldwell's address was interspersed with anecdotes of the U.N. Assembly at San Francisco at which he was one of Canada's representatives.

During the question period Mr. Coldwell explained the difference between Nationalization and Socialization of Industry.

Mr. Archibald answered questions put forward by Mr. Adam, a native of the Queen Charlotte Islands, and said that the C.C.F. party was doing all in its power to have the Indian schools under state control and not under the churches; to give the vote to the Indians and to have better conditions for the Indian old age pensioners.

After a collection to defray the expenses of the Hall, the meeting closed with God Save the King.
