### SEARCH IS KEEPING UP

New Clue Reported in Case of R.C.A.F. Bomber in Southern Interior

EDMONTON, (P) Northwest Air Command, Royal Canadian TOO MUCH three Dakota aircraft are now enroute from Rockcliffe to Pen-ticton to take part in the search FISH NOW for a plane missing on a flight from Calgary to Penticton for nearly two weeks. It is said the search for the R.C.A.F. craft had not been reduced.

Yesterday a farmer in the Blueberry area near Trail, British Columbia, advised the authorities that on the night of October 18 he heard the sound of what he thought was an aircraft engine cutting out, followed by the tearing of timber and crash. R.C.A.F. search planes will reconnoitre that area.

PRICE FIVE CENTS

OTTAWA (P) - The Atlantic fishing industry is able to make offers totalling only about \$815,-000 to date on over \$3,000,000 available for east coast canned salted and pickled fish under Canada's post-UNRRA relief feeding program abroad and the close-off date for purchases has been extended, it was announced Monday night.

A fisheries department official said that production of the west coast fishing industry was now in full swing with every prospect of a 4,680,000 canned herring order being filled. No mention has been made that prices will be paid for fish on either coast.

### minute 54 1/5 seconds. QUEBEC MAN MAKES KILLING

F. A. Maheu, furnaceman of Chateuguay Village, Quebec, reaped a \$100,000 fortune as a result of Fairey Fulmar's victory. He held an Irish Sweep stakes ticket on the horse which won the Cambridgeshire.

Maheu whooped with joy when the Canadian Press informed him that his horse had won. "I'll quit my job," he shouted over the telephone. "There are lots of things I want to do with the money."

He said that the call from the Canadian Press was the first word he had that his 28 to 1 horse had triumphed.

### Alberta Election Date Not Yet Set

EDMONTON-The Alberta government yesterday denied a story in the Calgary Albertan that a general election in 1948 had been agreed upon. No date had been set, said a government spokesman, although the government had been authorized to hold an election when it deemed it advisable.

Amber-colored diamonds can be changed to green by bombardment with heavy hydrogen atoms.
