STRAIGHT CUT

The corrected fastball league schedule appears in another col-

umn. The games tomorrow bring together High School and July 23-High School vs. Navy. Navy in the first of the double bill. High School will be very keen to win this or they will be in the lower half of the league

In the second game Co-op and CNRA, at present tied for second tangle. A win for either will put them equal with General Motors at the top.

Friday night's game will be between General Motors and Gordon and Anderson. This game was originally scheduled for July 4 but, as many of General Motors players were in Ketchikan playing baseball, the schedule was re-arranged.
