HOT TIME ON HALLOWE'EN—The scary Hallowe'en witch of old has turned modern and incidentally more beautiful. Anticipating a hot time on the gay night, Ruth Ott emulates a witch-like alchemist and brews a thermostat to control the temperature. On the log are catfish skivers, beeswax, tophet, radio spaghetti and other ingredients—a few of the 2,000-odd items found in one of the thermostats that controls the heat in your home.

JUNEAU LIVING COSTS SOARING

JUNEAU—Living costs in the north are not moderating any. It is certainly true eough in Juneau. Bread costs 22 cents a loaf and butter 97 cents a pound. A quart of milk means 30 cents. The better cuts of meat—providing meat is available—reflect soaring prices. There has been a 27½-cent boost in the cost of sirloin. It has been selling at $1.10. Between June and September food costs show butter advanced 25.1 per cent; eggs, 15.2; flour, 17.7; round steak, 29.1; bacon, 13.3; pork chops, 17.3.

SERVICE RECORD

HALIFAX (CP)—Veteran Frank Lawson, a South African living here, thinks he has set a sort of record: During his lifetime he has been discharged four times from Empire armies, once from the Royal Navy and three times from the merchant service.

Canadian National Office At Victoria

VICTORIA—The Canadian National Railways plan spending $50,000 remodelling the Haileybury building here. The proposed outlay will take care of the extra expense in providing accommodation in the building for all of the present C.N.R. offices, including freight, telegraph, express and ticket offices. The block is located at the corner of Government and Fort Streets.

HAINES ROUTE CUTTING COSTS

Recent inauguration of the Vancouver-Haines service has cut freight rates in two says the Whitehorse Star.

A merchant of that town, F. J. Tassie, is quoted as saying "We are now able to ship potatoes for $37 against the Vancouver - Skagway - Whitehorse charge of $82.40."

He is also confident that the reduced freight will have an important bearing on the production and shipping of low grade ores.
