### PACIFIC COAST SALMON PACK

Canned salmon pack on the B.C. coast this season was 1,484,318 cases, an increase of 150,000 cases over the 1946 season, according to the latest bulletin issued by the chief supervisor of fisheries, Vancouver.

Comparison of this year's pack with the last five years shows the following:

- 1947—1,414,318.
- 1946—1,331,832.
- 1945—1,729,897.
- 1944—1,094,855.
- 1943—1,210,608.
- 1942—1,752,314.

Heaviest pack this year was pinks, which totalled 598,167 cases, followed by chums, 442,383 cases, and sockeye, 285,811 cases. In 1946 there were 542,839 cases of sockeye and 561,185 cases of chums packed on the coast. The pink pack last year was 116,411 cases.

### TO MAKE HOME IN LADYSMITH

Mr. and Mrs. John Clavring Going into Business in Vancouver Island Town

After residing in Prince Rupert for seventeen years, Mr. and Mrs. John Clavring sailed last night on the Princess Adelaide for Ladysmith, Vancouver Island, to take up future residence. They have purchased a grocery store and confectionery business in the Island town where their son now lives. They have sold their home on Borden Street to Martin Berg.

Last Tuesday evening well-wishing friends of Mr. and Mrs. Clavring organized a farewell surprise party in their honor and the presentation was made by Peter Lien, on behalf of the company assembled, of a beautiful China table decoration to Mrs. Clavring while Mr. Clavring received a pipe.

### NATIVE CHILD PASSES AWAY

Patricia Clayton, five-month old daughter of Mr. and Mrs. Peter Clayton, of Kincolth, died at Miller Bay Hospital Sunday evening. The parents are at present living at Port Edward.

The actual marriage ceremony. There will be news reels taken immediately following. Commentaries will be broadcasted throughout the world. In the Abbey itself, 21 microphones are to be set up.

### SHIPS AND WATERFRONT

Capt. and Mrs. W. F. Robertson sailed Monday afternoon on the Princess Louise for a three weeks' holiday trip to Vancouver following the closing of the operating season of the government snag boat Essington of which Capt. Robertson is skipper. Cold weather has closed off the small streams which feed the Estclair River where the Essington has been clearing channel, making the vessel unable to obtain boiler water.

Completing her final voyage of the season on the Alaska route, C.P.R. steamer Princess Louise, Capt. P. L. Leslie, arrived in port at 4 o'clock yesterday afternoon from Skagway and other northern points, sailing two hours later for Vancouver. The vessel had on board a large list of passengers consisting largely of Yukoners and Alaskans going south for the winter.

Delayed by extra freights for waypoints, C. P. R. steamer Princess Adelaide did not arrive in port until 10:30 last night from Vancouver and Ocean Falls. She sailed early this morning on her return south.

Herring fishing in British Columbia, which has been centered on the west coast of Vancouver Island, saw little activity prac-

tically all of last week. This was chiefly due to the continued rough and inclement weather. It was largely a succession of gales and rain.

Chum salmon fishing in British Columbia waters continues good, according to late reports. This, it is estimated, will be one of the best seasons recorded in years so far as the species is concerned. But most of the 700,000 fish did not stay in B.C. The catch went to the United States.

There will be an appeal from the six months suspension of Capt. Craddock's masters' certificate. This statement has been made by C. L. McAlpine K.C., representing the officers of the vessel Gulf Stream, wrecked last month at Dinner Rock near Powell River. Five lives were lost.

LONDON, (P)—British school children will be given a holiday for the Royal Wedding November 20, but because of Britain's industrial position a national holiday will not be declared.
