Leads You to Foot Health and Comfort

We feature X-Ray Fitting because it is the only means by which you, and we, can see exactly how your feet look inside of a pair of shoes. With X-Ray's Magic Pointer we can show how and why a certain type of shoe may cause foot ills or discomfort. X-Ray enables us to fit you to shoes

that will give you positive comfort, and possibly correct certain foot troubles that you now have. We invite you, and especially your children to come in for a Complete X-Ray Foot Examination.
